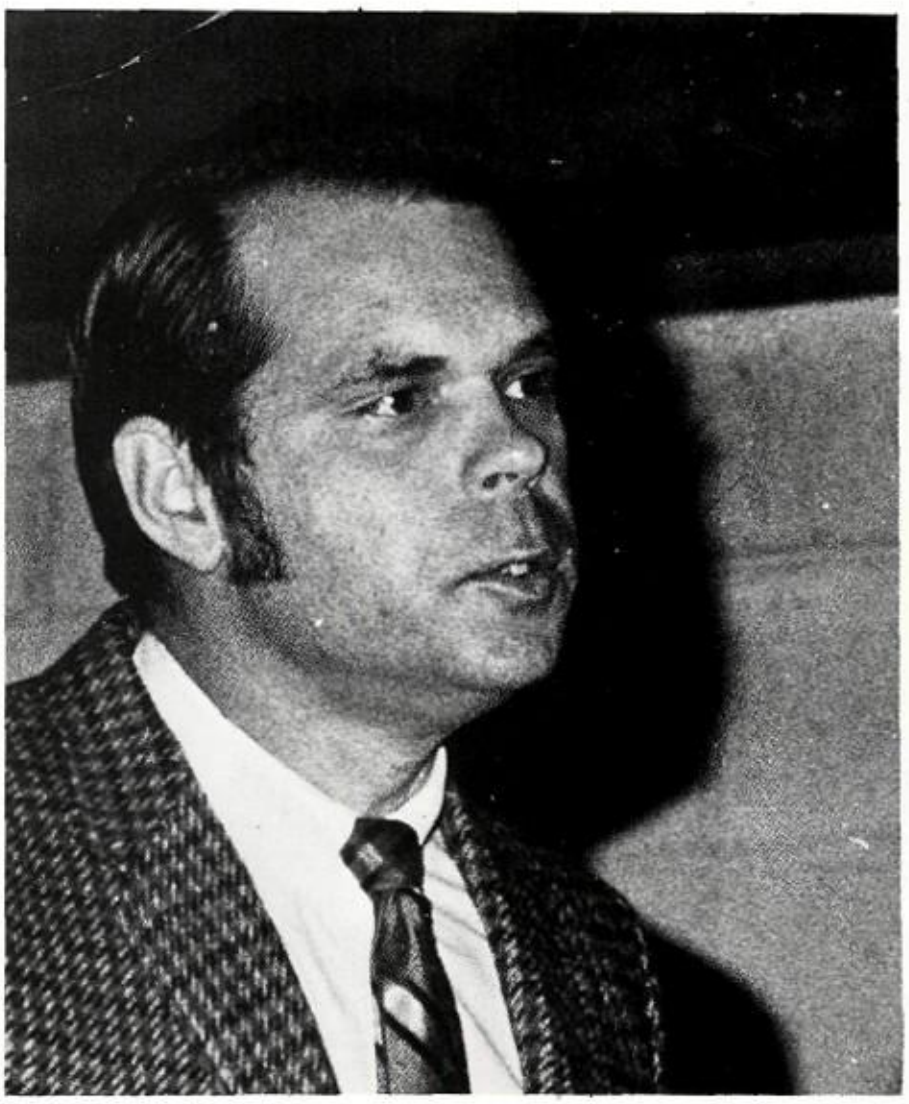
1971 MARKSMEN

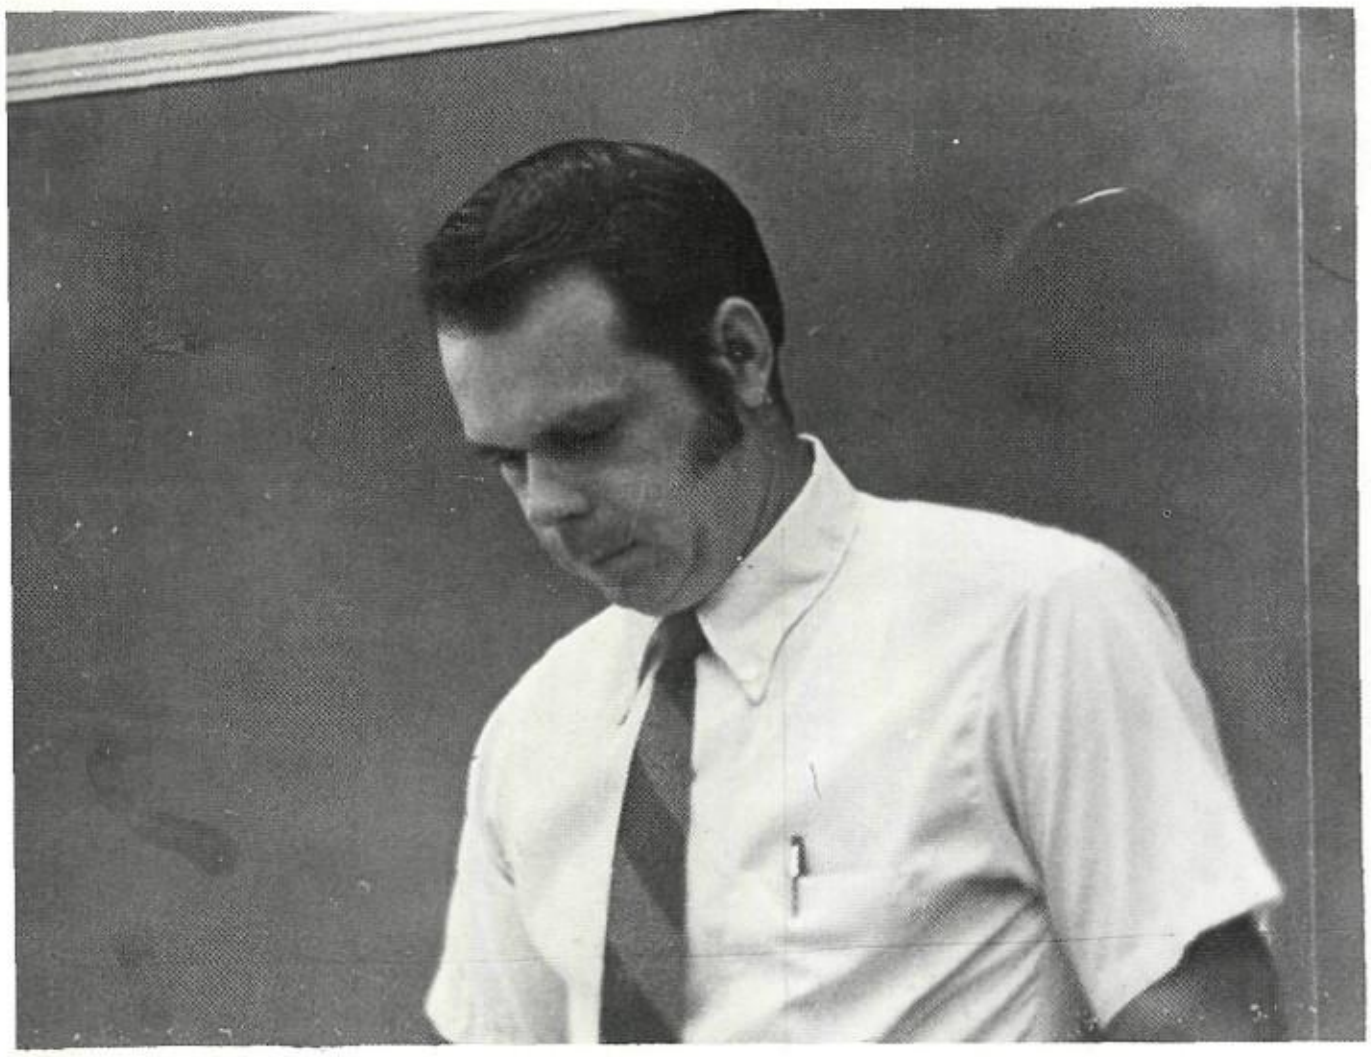
MARKSMEN '71

St. Mark's School of Texas

Dallas, Texas

The privilege of knowing Mr. Dexter is one that, unfortunately, far too many seniors have missed. Nevertheless, in just the brief exposure that we of the senior class have had to him as class advisor, we have seen the qualities that make him the person he is. His help with this year's *Marksmen* Dinner and Dance will be appreciated long after this annual finds its place on the bookshelves of the Class of '71, but even this is only a small part of what he has done for our class. His teaching has been ofttimes praised, and this praise comes from perhaps the most meaningful source of such compliments — his students. There is a certain excitement that he creates in any class he instructs. He, in the words of one student, "makes us want to learn." He has worked untiringly as director of the planetarium-observatory and thus has made St. Mark's one of the most respected centers in the Dallas area for the study of astronomy.





For his advice and understanding, for his toil on our behalf, for all this and more, and hoping that in this small way we can begin to express our great appreciation, we of the Class of 1971 dedicate this yearbook to our senior class advisor, Mr. William Dexter.

At present, everywhere in the civilized world, we educate to promote intelligence, to promote industry, to ensure progress. It is not merely a question of promoting what the psychoanalysts call reality adaptation; it is to the reality of a competitive and divided society that, by existing processes of education, we seek to adapt our children. The agressive instincts have a wonderful opportunity to discharge themselves, but it is against other children, in a ruthless struggle for places, for examination results, for class promotion. We educate to classify — that is to say, to divide — and all our efforts are expended in the cultivation of distinctions.

I believe there are two principles that should determine the aims of education, . . . The first principle I would express as: Educate with reference to things. The second as: Educate to unite, not to divide.

The Marksmen Staff would like to express its deep appreciation to Mr. Joe Miske for his hard work and devotion to St. Mark's. Working with an extremely small staff, Mr. Miske has succeeded in keeping St. Mark's a pleasant place for work and recreation. Once again, our heartiest thanks.

"Here am I," he thinks, "with my brains nicely organized — with everything, if not in its place, at least in a place where I can find it — and you come along with a new and strange item that you want to force into my previous arrangement. Naturally I resist. You persist. I begin to dislike you. But at the same time you begin to show me aspects of this new fact or idea which in spite of myself mesh in with my existing desires. You seem to know the contents of my mind. You show me the proper place for your contribution to my stock of knowledge. Finally, there is brooding over us a vague threat of disgrace for me if I do not accept your offering and keep it and show you that I still have it when you — dreadful thought! — *examine* me. So I give in, I shut my eyes and swallow. I write little notes about it to myself, and with luck the burr sticks: I have learned something. Thanks to you? Well, not exactly. Thanks to you and thanks to me. I shall always be grateful for your efforts, but do not expect me to love you, at least not for a long, long time. When I am fully formed and somewhat battered by the world and yet not too displeased with myself, I shall generously believe that I owe it all to you. It will be an exaggeration on the other side, just as my present dislike is an injustice. Strike an average between the two and that will be a fair measure of my debt."

SENIORS

The Senior section of the Marksmen is the hardest to prepare, because it means more to the class than any other. This section will be viewed in the years ahead with fond memories. The ink and paper that creates this section is just a small representation of the phenomenon of the class of 1971.

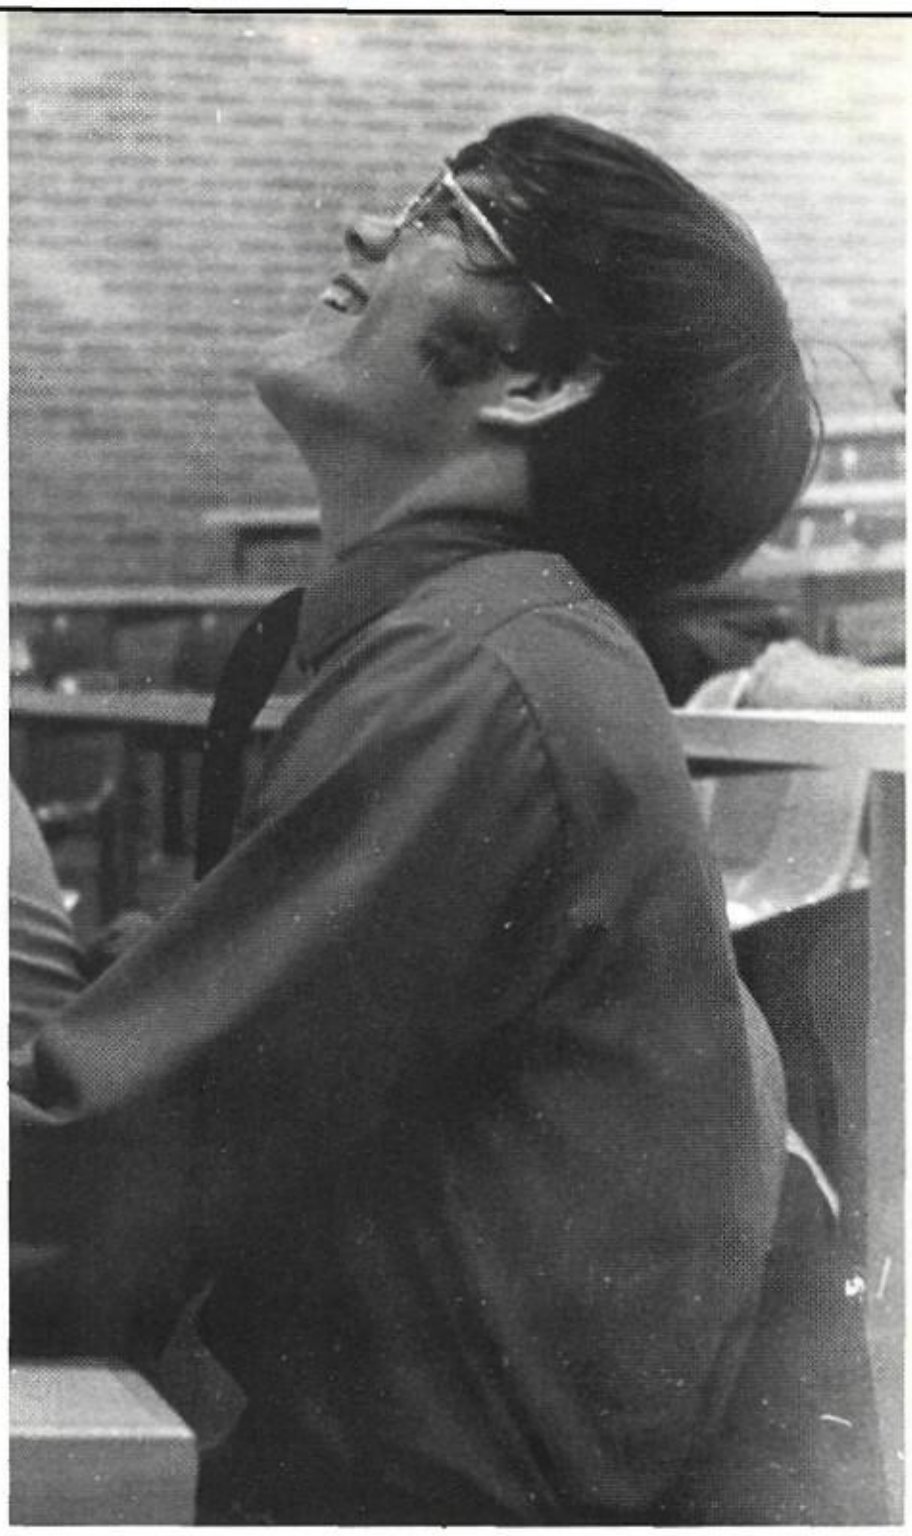
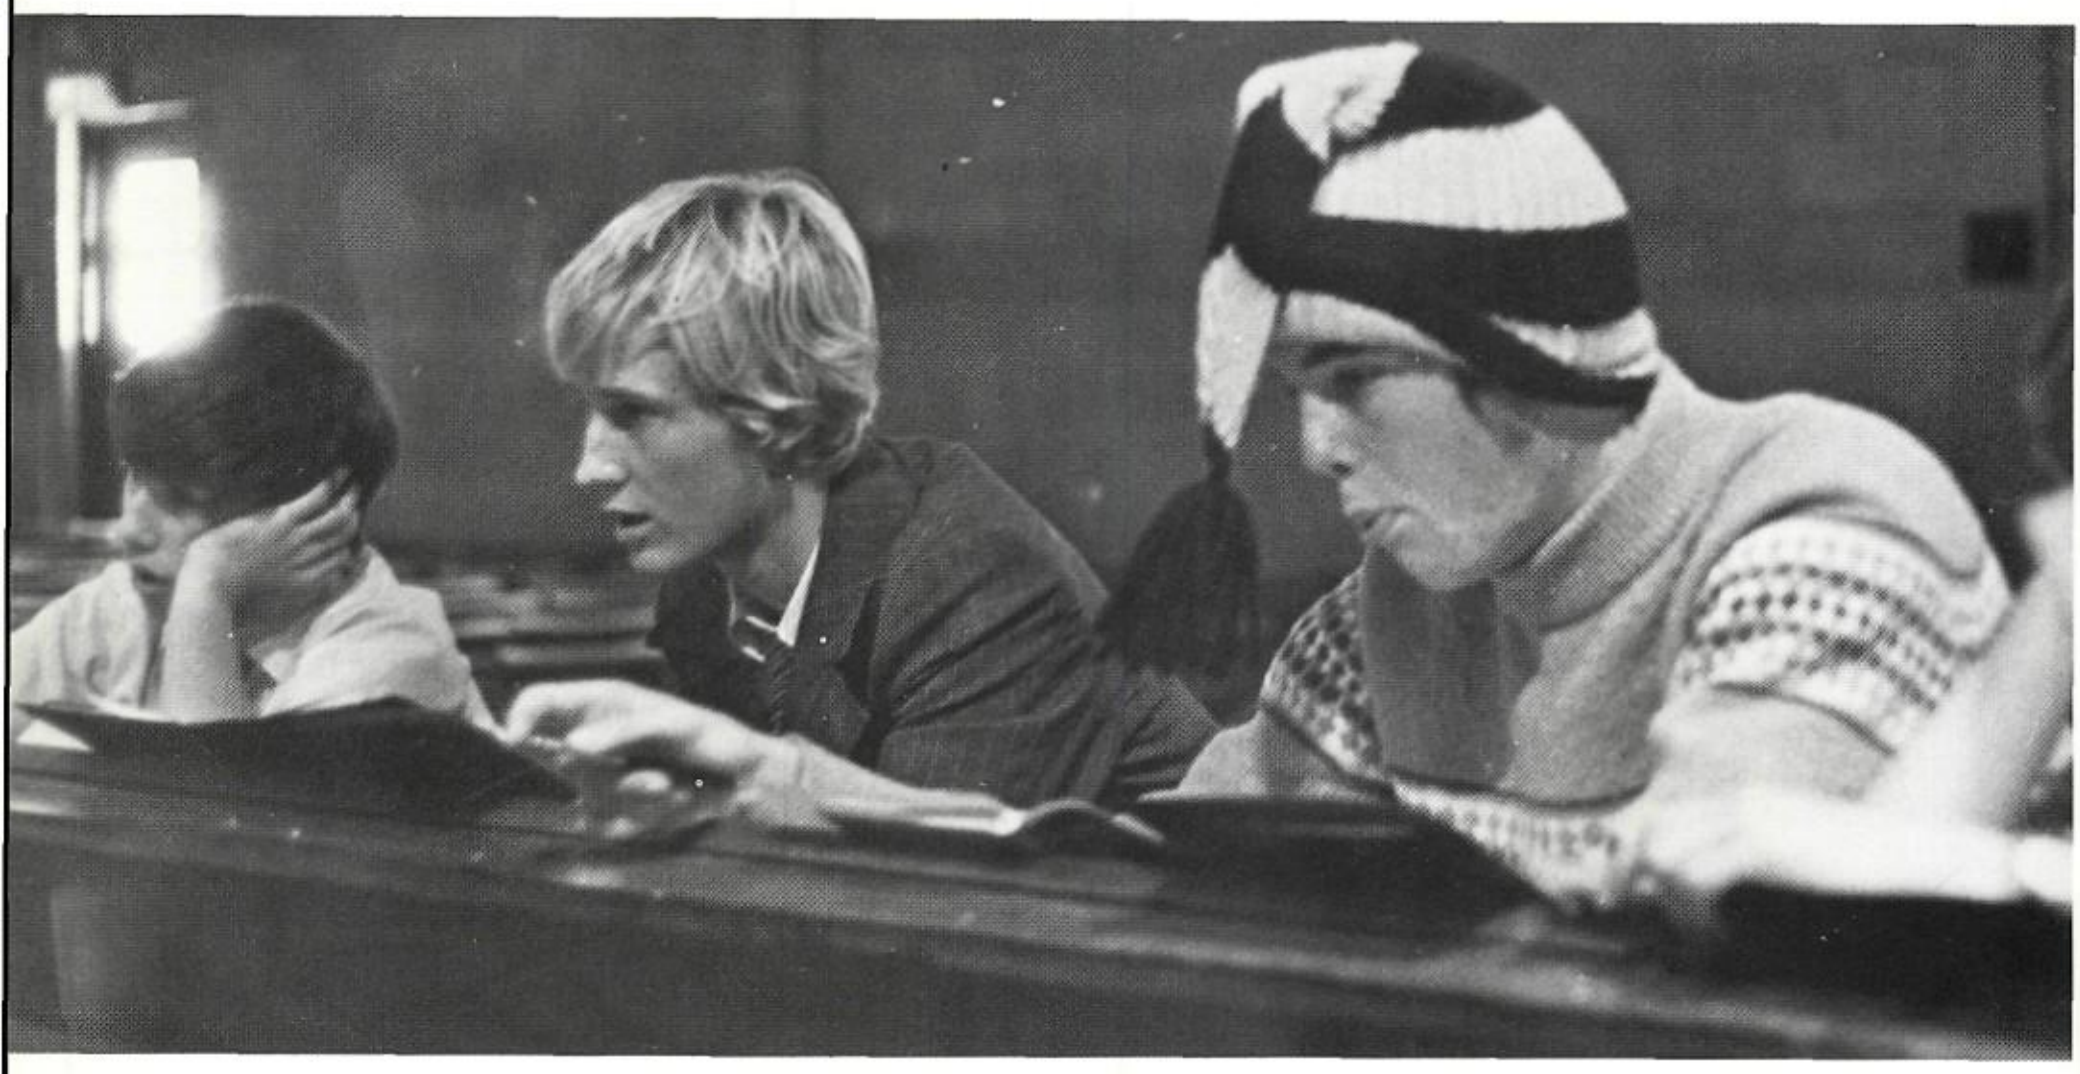
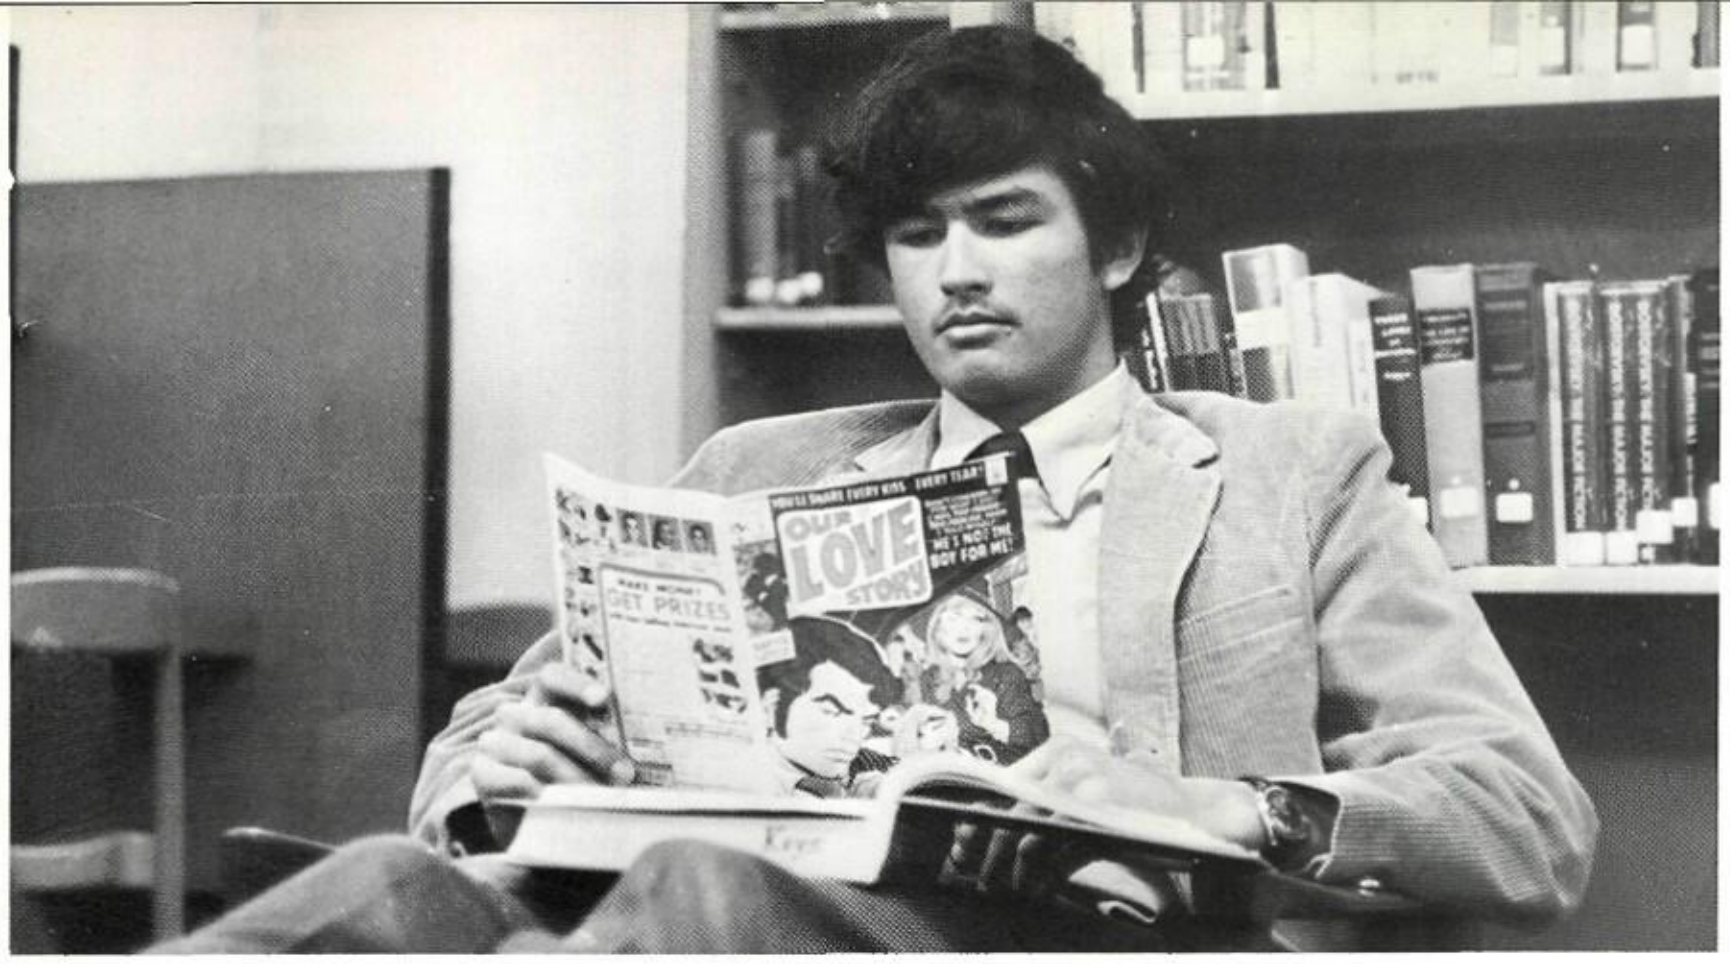
Big deal, let's take off and have a cig. Hold it, I gotta write my English paper, it's due next period. Big deal, just do it in class, or say you lost it. The English department doesn't know the difference. What did they have for lunch? I don't know what they called it, but it was trash. What did they say in Upper School Assembly this morning? Nothing, Connolly just told us to have more spirit. That's typical of SM, they tell us to have more spirit."







"it was late in my eighth grade year that i didn't have to count on my fingers to see when i would graduate."

To express the feelings of St. Marks to an outside person is difficult. Trying to explain some of the ideas from St. Marks is difficult. To the outsider looking at the Class of '71 he'd find a bunch of guys who were not the most intellectual, but guys who enjoyed life. You find hard workers at sports and other activities but also you'll find the lazy ones. There are some who don't really care about the class as a unit — they are known — . . . When looking at the Class of '71 you can see three basic groups that make up the class. You have the athletes who think they are God's gift to the earth, the guys that are self-conscious about wanting to do something for the school, before they make their grand exit, and last you have the guys that do the same things all the time, and have done the same things ever since I've been here . . . They develop a type of leave-me-alone, I-don't-have-time attitude . . . We all are diversified, yet unanimous in our support of one another. Our accomplishments? Witness the Can-Paign. We collected more cans in the first 2 days than were collected during each of the first 5 years of its existence. Now about our 18 students recognized by the National Merit Program. That's 18 students out of 75 total. The ratio speaks for itself. We solicited over $2,000 worth of advertising for The *Marksmen,* in one day. We changed the Marksmen Ball into a coat and tie dinner and party. So what do you say? St. Marks is built on a tradition stronger than the Marines. To change such a big part of that tradition as the Marksmen Ball demonstrates our incredible strength. Yes, that is the word for the Class of '71. Strong . . . One major fault, for some reason this school makes people seem like they're damn better than everyone else . . . Efforts have and are being made to "get us together." School dances, athletic games, and functions like the Can-Paign are stressed at each assembly, but they are met by empty dancefloors and silent stands . . . The school is worried with its image too much and is not really changing with the times. It needs change. St. Marks . . . it's a school but really it has its own life that I loved . . . or maybe I've been brainwashed to think that . . . After a full year at S.M. I knew I could never return to public school. The traps are too tight there.

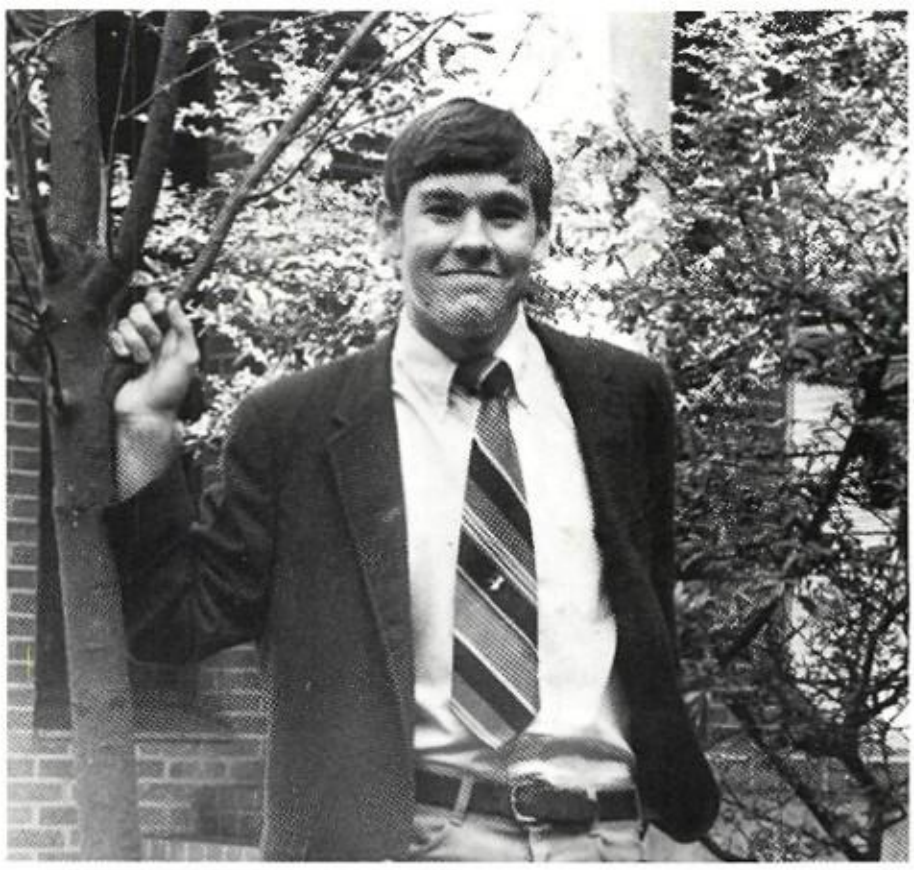
Never is there a dull moment, whether it be at school or on the weekends. During school there are always pranks being pulled and the usual bull sessions. Rarely does anyone ever study during the day; instead they raise hell . . . After lunch you went out back to the bleachers and swung on the climbing rope if you were tough. I swung a few times but lost interest.

The next year I had Latin with Mr. Connolly. Two things he told me have stuck with me. He told the class "I bet none of you can write a decent essay" and "Don't ever tell me you were glad you took Latin." I'll never forget them as long as I live . . . I was amazed at the amount of trust St. Marks teachers put in their pupils. At St. Marks a teacher is not your enemy . . .

Many of the times when we were just beginning to appreciate a teacher, he would disappear from the scene. I think this disturbed a lot of guys, but nobody ever really said much . . . When I saw *Mr. Chips,* I thought of my class. Then when I got back to school, I couldn't imagine how I ever thought that.

It has taught me to express my opinion instead of a fact . . . Do you understand what I mean now?

UNDERCLASSMEN



juniors

In preparation for the awesome responsibilities of a senior, the Junior Class this year demonstrated a potential for development quite uncommon. The class was well represented on the honor rolls, contributed several to varsity squads, edited the *Marque*, and strengthened several school clubs and organizations, especially the Drama Club and Film Society. These two organizations were under virtually total junior leadership. The class abounded in individual talent, expressed in several unique ways, yet it seemed that a special class unity was the driving force behind such activities as the Junior Dance and the support of a foster child. The class advisor was Mr. Paul Campbell, and Chris Thompson, as class president, led the class of '72 through another successful year.

freshmen

In their wild attempt to gain membership to the Upper School, the Class of '73 demonstrated an abundance of that special quality which is the Freshman Class. Though not exceptionally involved in school activities, the freshmen seemed to have an eagerness which was directed in other directions. One of the high points of the year was the freshman participation in the Can-Paign. The excitement which they instilled in the annual activity was one of the reasons for the Can-Paign's success this year. Class president was Rusty Getter, and Mr. Donaldson served a valiant term as class advisor. Undoubtedly, the eagerness of this class, if translated into a more positive theme, can lead the Class of '73 to a very productive existence at St. Mark's.

lower school

Children are endowed with a natural curiosity which leads them to investigate their environment. Too often this is snuffed out by an educational environment which by its structure limits the child's optimal development.

St. Mark's Lower School is devoted to the notion that the educational focus must be on the individual child and his growth — academically, creatively and emotionally. An environment with warmth to enhance his self-concept; with rigor to encourage his initiative and responsibility; with beauty to increase his sensitivity.

Against this background we believe the child's experiences will give him the flexibility, the adaptability and the creative thinking to enable him to cope with an unknown and quite unpredictable future.

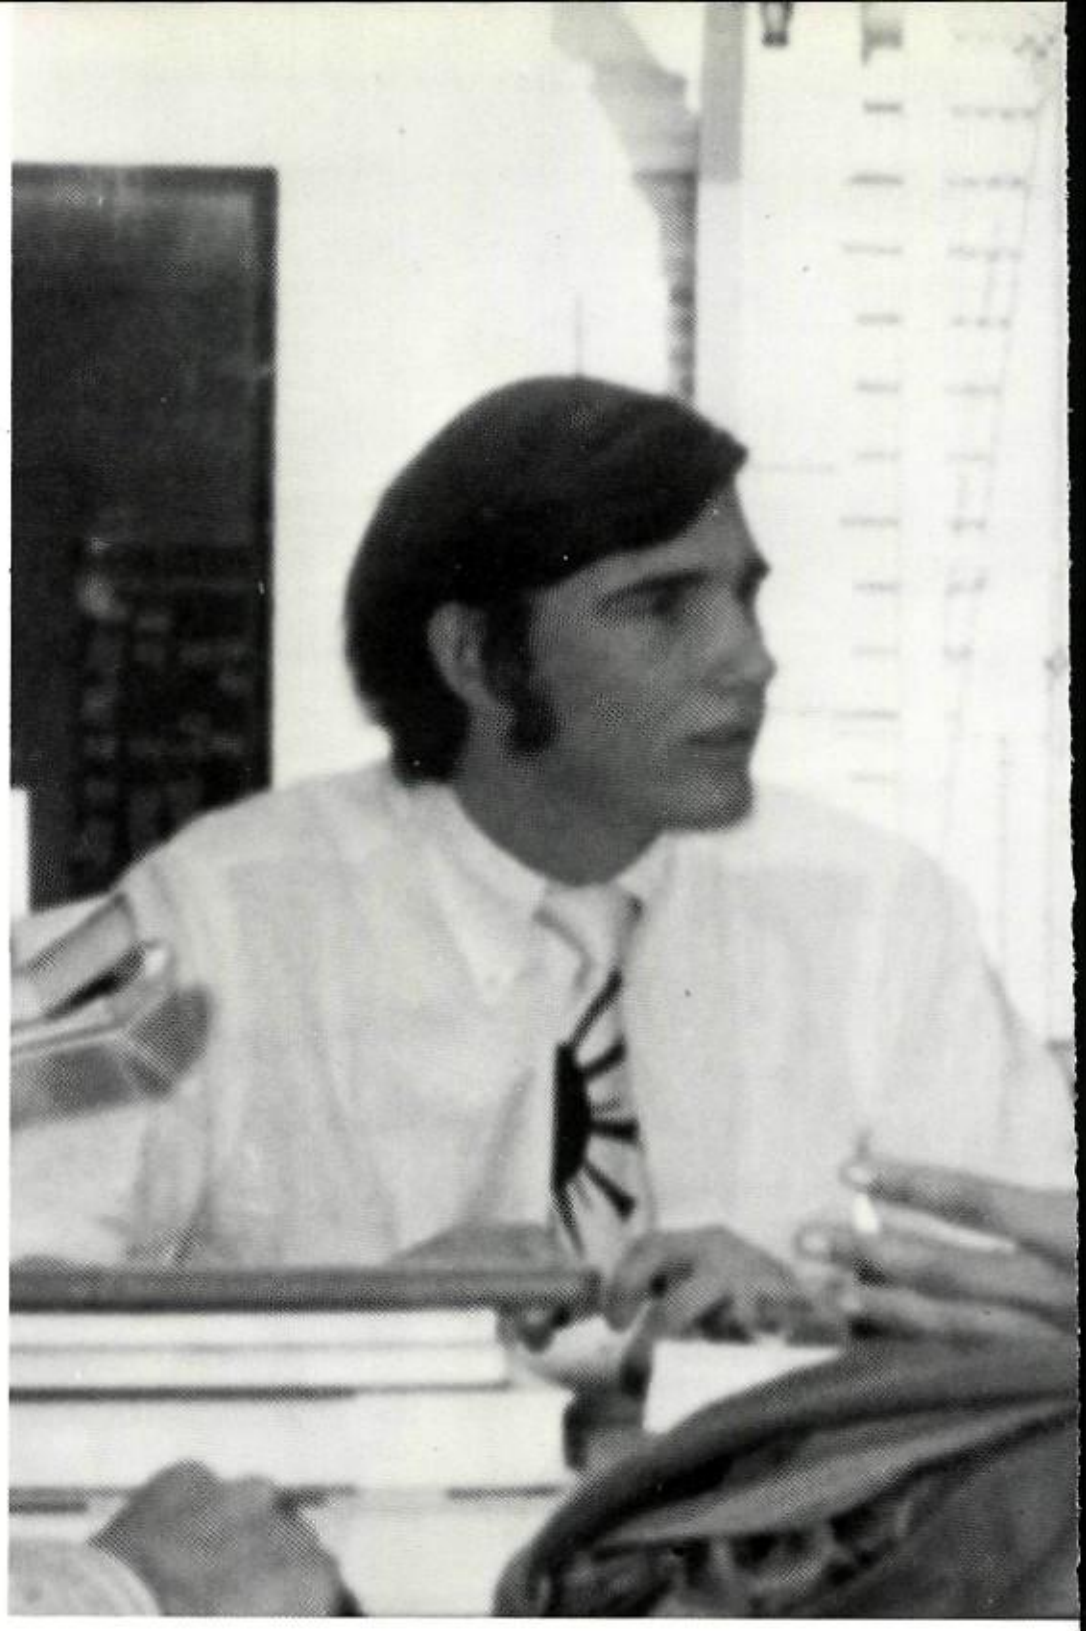
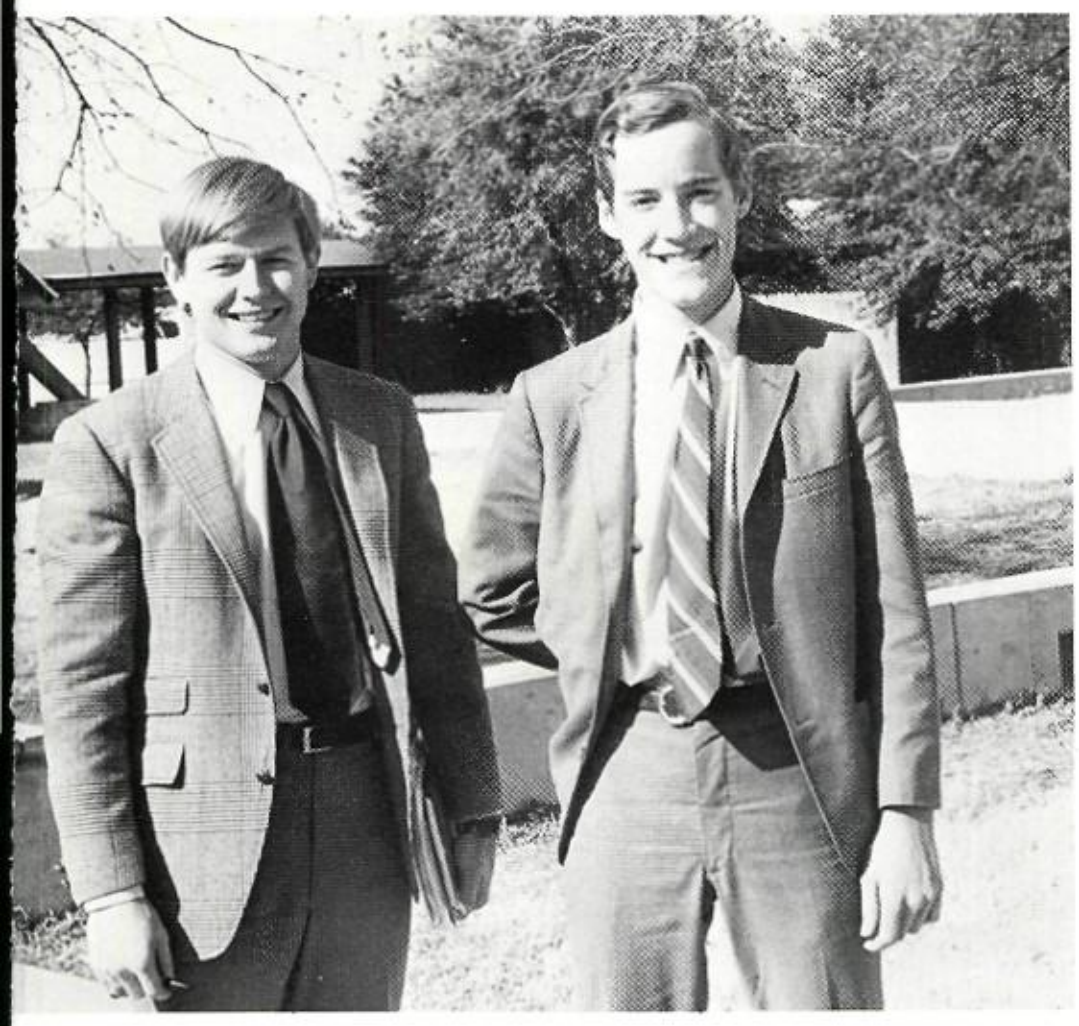
ORGANIZATIONS

student council

This year's Student Council, headed by president Harden Wiedemann, was a prime source of student organization and action. Besides performing the perfunctory duties of councils past such as preparing for the Homecoming Dance and backing the Can-Paign, they also wrote an extensive report to the Board of Trustees on improving the quality and condition of education at St. Mark's. Also, the Council organized the election for the student-voted members of the Discipline Committee, helped the Roosevelt Exchange program, prepared all the morning Upper School assemblies, and put into action the Teacher Evaluation and Textbook Exchange programs. In advancing its constructive proposals for improvement of the school, the 1970-71 Student Council has established a precedent in effective innovation.





lion and sword society

Under the direction of Mr. Stephenson, President Bob Crawford led the Lion and Sword Society through another year of valuable service. The organization is an honorary service society responsible for conducting visitors about the campus and assisting in the administration of certain school functions. In this tradition, the society gave direction to such events as Orientation Day. The Miniature Schools, the New Dads' Dinner, the Festival of Lessons and Carols, Baccalaureate, and Graduation. Membership includes the President and Vice-President of the Student Council, the presidents of the senior, junior, and sophomore classes, and others elected by the society.

bookstore

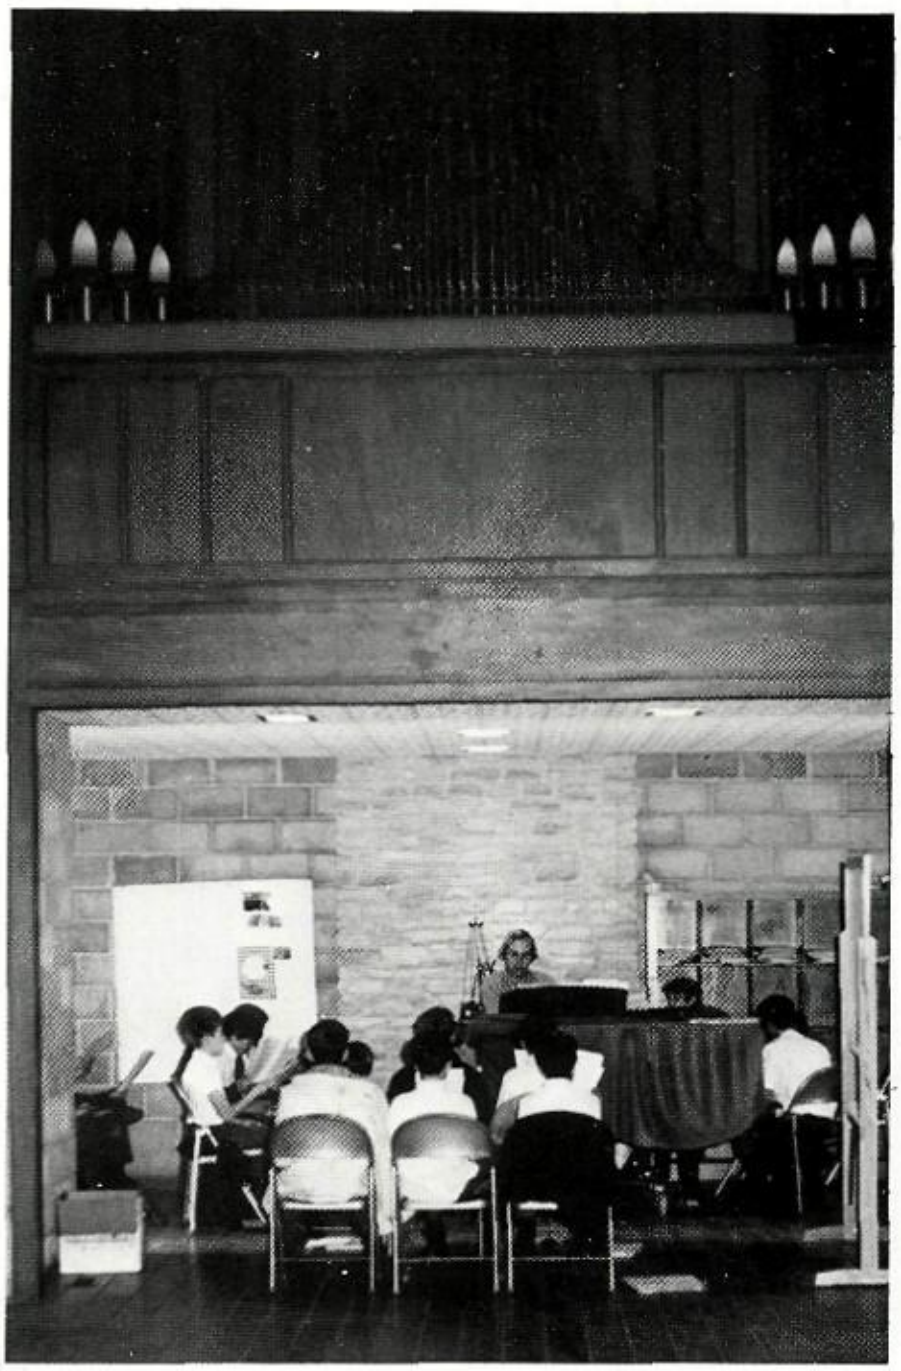
This year the bookstore expanded to include not only the English Department required reading but also Social Studies Department materials. Many timesaving techniques were also initiated in order to cut down on the large volume of work that is required to run an efficient bookstore.

As a result of an especially prosperous year the student Bookstore was able to give substantial donations to many of the worthy organizations on campus.

choir

The Choir and glee club were engaged in a full schedule of programs in 1970-71. In addition to providing for morning chapel services, they sang a traditional Anglican Evensong in October and two contemporary Evensongs. The Christmas activities included the service of Nine Lessons and Carols and appearances for Christmas shoppers at Northpark and Northtown malls. The twelfth-century music drama THE PLAY OF HEROD in February featured the newly-acquired Dutch Handbells. The now annual Processional for Lent was sung Easter-week in the Chapel and on Maundy Thursday at St. Luke's Episcopal Church.



glee club

The choir was invited in November to join the Dallas Civic Opera Company in its production of the comtemporary cantata *Carmina Burana*, in which they danced with ballerina Margot Fonteyn under the direction of Broadway *Hair* producer Bertrand Castelli.

The glee club joined the Hockaday warblers in singing the musical *Hello, Dolly!* in March.

orchestra and string ensemble

The String Ensemble is composed of members of the Upper and Middle school strings classes. The group practiced regularly under the direction of M. L'Helgoual'ch.

The Orchestra is formed of members of the String Ensemble and selected members of both the Intermediate and the Advanced Bands. The Orchestra and the two Bands performed at the annual Christmas Concert in mid-December. The Orchestra rehearsed once a week and was also directed by M. L'Helgoual'ch.

band and intermediate band

Ever since the days when fine arts were required at St. Mark's, the prestige of the band has seemed to decline. The extra effort required of a band member at St. Mark's thinned out the ranks of the band until only a small group of dedicated students remained to make up the struggling organization. This year, however, saw a remarkable increase in the strength of the band.

Band master Mario Foster promoted several members of the intermediate band to the advanced band at the beginning of the year. This transplant not only strengthened the organization audibly, but heightened its prestige and insured an experienced group next year. Elections held early in the year named Peyton Inge band president and Dana Keith vice-president.

The Spring Concert marked the climax of an especially rewarding year, and was the most exciting band concert performed at St. Mark's in several years. The special Stage Band, an elite 16-member group from the advanced band, performed several jazz-swing numbers in addition to the regular concert.

This campus publication experienced growing pains this year. Under the direction of Editor-in-Chief Mark Anderson and Managing Editor Lincoln Cobb, the *Marksmen*, made several attempts to strengthen the position of the yearbook among campus organizations. Literature pertaining to yearbook journalism was compiled in the Marksmen library. Precedents were set for future staff selections. In an effort to bypass the perennial "deadline rush" a weekly production schedule was put into effect. However, adherence to the new schedule was not consistent.

Beset by a "tight money" economy, the *Marksmen* was unable to raise the monies necessary for publication, and for the first time students paid for their book.

A phenomenal amount of work has gone into the production of this yearbook. We, the *Marksmen* staff, hope this book will be enjoyed for many years to come.

The ReMarker

This past year the *ReMarker* was published under the steely-jawed and glassy-eyed editorship of Mr. D. A. Lichten, who was taken from complete obscurity as an usher at Mr. M. Levy's Underground Cinematheque at age eleven and pushed into stardom in the relentless hustle-bustle of a metropolitan biweekly. Lost in the shuffle were Managing Editor Mr. R. H. Crawford and Mr. C. O. Kaufman, who spent their spare time searching for the mythical "Links" of ancient Legend and recording a progressive jazz radio show for Radio Moscow. The sports staff, under the direction of Mr. A. J. Staub, neared completion of night classes with operation LIFT. The business staff, headed by noted entrepreneur Mr. M. C. Fitzgerald, effected a successful transformation to a public-owned corporation and sold 10,000 shares of worthless ReMarco stock to a Mr. P. Smith. "We at the *ReMarker* are interested in turning a profit. It's quite obvious that the *Marksmen* is a big tax write-off," he said.

But all the glamor in top positions on the above-mentioned newspaper could not conceal the widely known fact that the *ReMarker* was under the wide thumb of the shady underworld character Mr. D. T. Chu, who called the shots according to his own whims from his private table at Sing's.

We asked part-time copyreader Mr. J. ?. Mahoney for comment on the paper in general, but he merely wept bitter tears into his denatured sarsaparilla and muttered, "Is all changed now. Is all over." Thirty.

The ReMarker is published every two weeks during the school year by interested students of St. Mark's for its student body, friends, and alumni, and is mailed free of charge to anyone interested in St. Mark's. Entered as third class mail at the U.S. Post Office under permit No. 3721, October 9, 1958.

marque

The St. Mark's spring literary magazine, the *Marque*, celebrated its tenth anniversary by publishing Volume X. The magazine, which is a collection of poems, short stories, and art work contributed by the students and faculty of St. Mark's, was headed by Junior editor John Darrah. Under the guidance of its advisor, Mr. Herbert Meyer, this year's *Marque* staff sought to change its traditional format from a loose collection of poems to a more unified literary publication. Members of the staff who worked on the selection committee were Harden Wiedemann, Chuck Kaufman, Tim Glass, Alan MacAdams, Bob Hootkins, Jim Long, Stoney Savage, and Bob McElroy.

problem solving club

Under the leadership of Mr. Beidel, the Problem Solving Club, consisting of ten SM students, met often this year, seeking answers to challenging mathematics problems. They had representatives in the Hockaday Math Tournament, the MAA examination, and the mathematics conference in San Antonio in May.

film society

In its third year of existence, the St. Mark's Film Society has become one of the major organizations on campus. Led by President Curt Burch, and many active members, the society presented a line-up of films more impressive than those of any previous year. The list of presentations included *Wait Until Dark*, *Bedazzled*, and *Once Upon A Time in the West.*

The Film Society's year was highlighted in mid-January when it instituted the first annual Film Festival. The festival ran for one weekend and brought to the SM campus such motion pictures as *They Shoot Horses, Don't They?*, *Take the Money and Run* with Woody Allen, and *The General* with Buster Keaton.

drama club

The 1970-71 St. Mark's Drama Club wasted little time in getting the new season off to a fast start as they opened *The Hollow Crown* at the end of September. The play featured actors from the faculties of both St. Mark's and Hockaday such as Mr. Vintcent, director of the Drama Club, Mrs. Sharon L'Helgoual'ch, Mr. Arthur Douglas, and Mr. Robert Merritt.

The first major production, Thornton Wilder's *Our Town,* was featured at the end of October and gave the club the confidence and support it needed to produce Tennessee Williams' *The Glass Menagerie,* which starred senior Tim Glass in the role of Tom Wingfield. Only a few weeks before, several members of the club journeyed to Wichita, Kansas, for a Fine Arts Festival where they presented the one-act play *The Snow Goose.* After the Christmas holidays, two special understudy performances of *The Glass Menagerie* were given.

The Second Annual Festival of One-Act Plays, held on the weekend of February 5-7, involved over sixty Dallas area students and presented thirteen different plays.

The Drama Club was led this year by seniors Craig Anderson, President, and Dave Lichten, Vice-President.

afs committee

The St. Mark's chapter of the American Field Service commenced its activities for the year by welcoming to Dallas Phon van den Biesen, the St. Mark's AFS student from Holland. Last summer the Americans Abroad program sent seniors Dave Lichten to Finland and State Lawrence to Thailand.

Lawrence, Lichten, and van den Biesen were instrumental in aiding the adult contingent of the AFS committee select two applicants, Hugh Washburne and John Darrah, for the coming summer's Americans Abroad program.

As a group, the AFS Committee had one of the most active years in its history. Led by senior Gary Wolens, the chairman, and advisor Mr. Hawley, numerous informal get-togethers and talks were held in addition to St. Mark's first AFS day.

AFS Day, held in the Spring, offered a full day of activities featuring AFS students from high schools throughout Dallas who were on hand to discuss and answer questions from students on subjects of international culture.

french club

The Society for the Advancement of the French Language and Culture on the St. Mark's Campus and Vicinity was directed this year by its faculty advisor Mr. Benbarka, President Dana Keith, and Vice President Robert Crawford. The organization sponsored discussions and presentations on several aspects of French and foreign culture ranging from skiing in France to skating in Holland to night life in the Gambia. The club drew in several guest speakers and sponsored its annual dinner at a French restaurant.

art club

Inspired by seniors Jim Riggs and Robert Briggs, the Art Club was a student-oriented organization which allowed interested students to improve their artistic abilities under competent faculty supervision. The faculty advisor was Mr. Kysor.

The organization was set up in tutorial form with no scheduled meetings, for each member worked on an individual basis, seeking critical advice as it was needed. The organization was composed chiefly of seniors, and was directed by president Jim Riggs and veep Robert Briggs, with the invaluable aid of Mr. Kysor.

sailing club

The Sailing Club, active for the first time in years, concentrated on sailing practice rather than on racing. Unlike legitimate organizations, the club had no faculty advisor and had more officers than regular members. Nevertheless, much work was done and many good times were had.

The officers include President Alan Frost, Vice-President Phon van den Biesen, Secretary-Treasurer Yusupha Kebba Jarraga N'Jie, and Program Director Eric Von Dose.

lettermen's club

Under the leadership of President Chuck Kaufman, this year's Lettermen's Club enjoyed a most active year. The St. Mark's faculty participated in two fund-raising projects. The first project was the KLIF disc-jockey-vs.-the-faculty football game, which raised nearly $360 to finance the traveling expenses for Gambian student, Yusupha N'Jie. The rivalry continued between the faculty and the KLIF disc-jockeys in a basketball game. The money raised went to aid the financing of a school trophy case, which will be located on the north side of the gymnasium between the gym and the locker room. The Lettermen's Club sponsored this year's annual Faculty-student basketball game to which the price of admission was canned goods. The more than 200 cans that were collected from the game benefitted this year's successful Can-paign.

An important step was taken by the organization this year when an amendment was made to the membership clause of the club's constitution. Dad's Night was held on Homecoming, and the Homecoming Mums were sold by the organization. The annual Athletic Banquet was also sponsored by the club at the end of the year.

roar

The Roar, the St. Mark's spirit organization, remained active this year under President Alden Wagner and faculty advisor Charles Williams. The setup of the membership was different from years past, consisting of a board of seven seniors.

As a group this year, the society sponsored the Casady bus trip, decorated the student lounge, informed the school community of happenings around the campus, and stirred up spirit in general.

cheerleaders

below: the squad in high gear

This year's cheerleaders owe a great deal to their faculty advisor, M. Alain Beauvois, for it was through his efforts that the squad enjoyed one of the most well planned and profitable seasons of all. The enthusiastic group was staffed by Molly Barnes, Robert Briggs, Jenny Branch, Marc Dominus, Phil Einsohn, Marcy Holloway, John Keys, Carol Plum, Barney Schlinger, Gay Shults, Brooke Stollenwercke, and Gary Wolens.

To complete a busy summer session of practicing every day the St. Mark's squad was the first to capture the spirit stick award at the SMU Cheerleader School. The cheerleaders worked very hard to boost spirit. In addition to boosting spirit, the cheerleaders planned, carried out and cleaned up after the after-game victory parties. It seems, in fact, that the cheerleaders deserve credit as a service organization as well as a spirit group, but, whatever their designation, the cheerleaders' hard work resulted in a highly successful year.

cum laude

The Cum Laude Society is the group of students chosen for membership on the basis of their individual academic achievement. The membership is made up of ten percent of the Junior class and twenty percent of the Senior class. Pictured are the senior members and the faculty members.

The Society was patterned after Phi Beta Kappa, its university counterpart. The St. Mark's members are Seniors Mark Anderson, Lincoln Cobb, Robert Crawford, Eric Dose, Alan Frost, Lee Gleason, and Anthony Knape. Faculty Cum Laude members are Messrs. Connolly, Crews, Douglas, Hawley, Volk, and Mrs. Murray.

national merit finalists

Seven SM seniors were awarded National Merit Semi-Finalist standing in the national scholarship competition this year. The original total of nine semi-finalists was attentuated by the departure of Rob Parks and David Schneider, who also attained semi-finalist standing in the National Merit Qualifying Test last year. The seniors named were Lincoln Cobb, Robert Crawford, Eric Dose, Alan Frost, Lee Gleason, Dana Keith, and David Lichten. Each of the semi-finalists is eligible for progression to Finalist standing where he will be placed in contention for National Merit Scholarships. Several other seniors were honored with the receipt of National Merit Letters of Commendation, placing them just below the award of semi-finalist.

ACTIVITIES

freshman day

The turbulent 16th of October began early at St. Mark's as a brazen display of campus unrest flared into a full-scale confrontation on the school parking lot. At 7:52 A.M. the high-spirited freshmen were grouping forces in the parking lot to repel the senior aggressors. From out of nowhere, three innocuous pick-up trucks, driven by Ellis, Blair, and Knape, eased into the lot. The zealous frosh, hoping to mete out justice to the unsuspecting seniors, swarmed the three trucks, from which immediately issued half the senior class. The ensuing melee was eventually broken up by Mr. Connolly, who directed the frosh (half crazed by shaving cream vapors) to their respective classes. Can by can, the administration stockpile grew until a balance of cream was achieved at about 12:00 noon.

Finally, in an effort to relieve the mounting tension, Mr. Connolly certified the class of '74 as members in good standing of the St. Mark's Upper School.

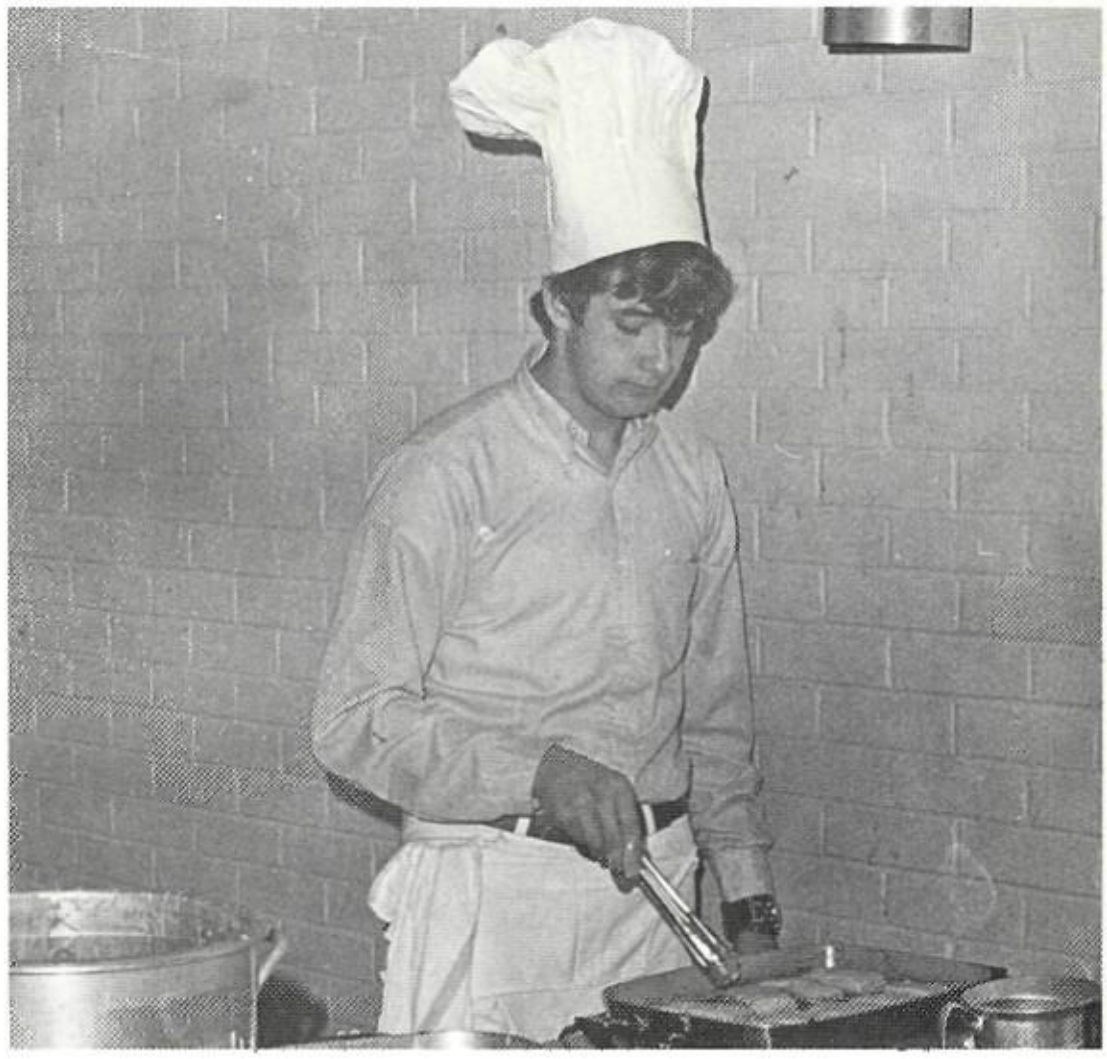
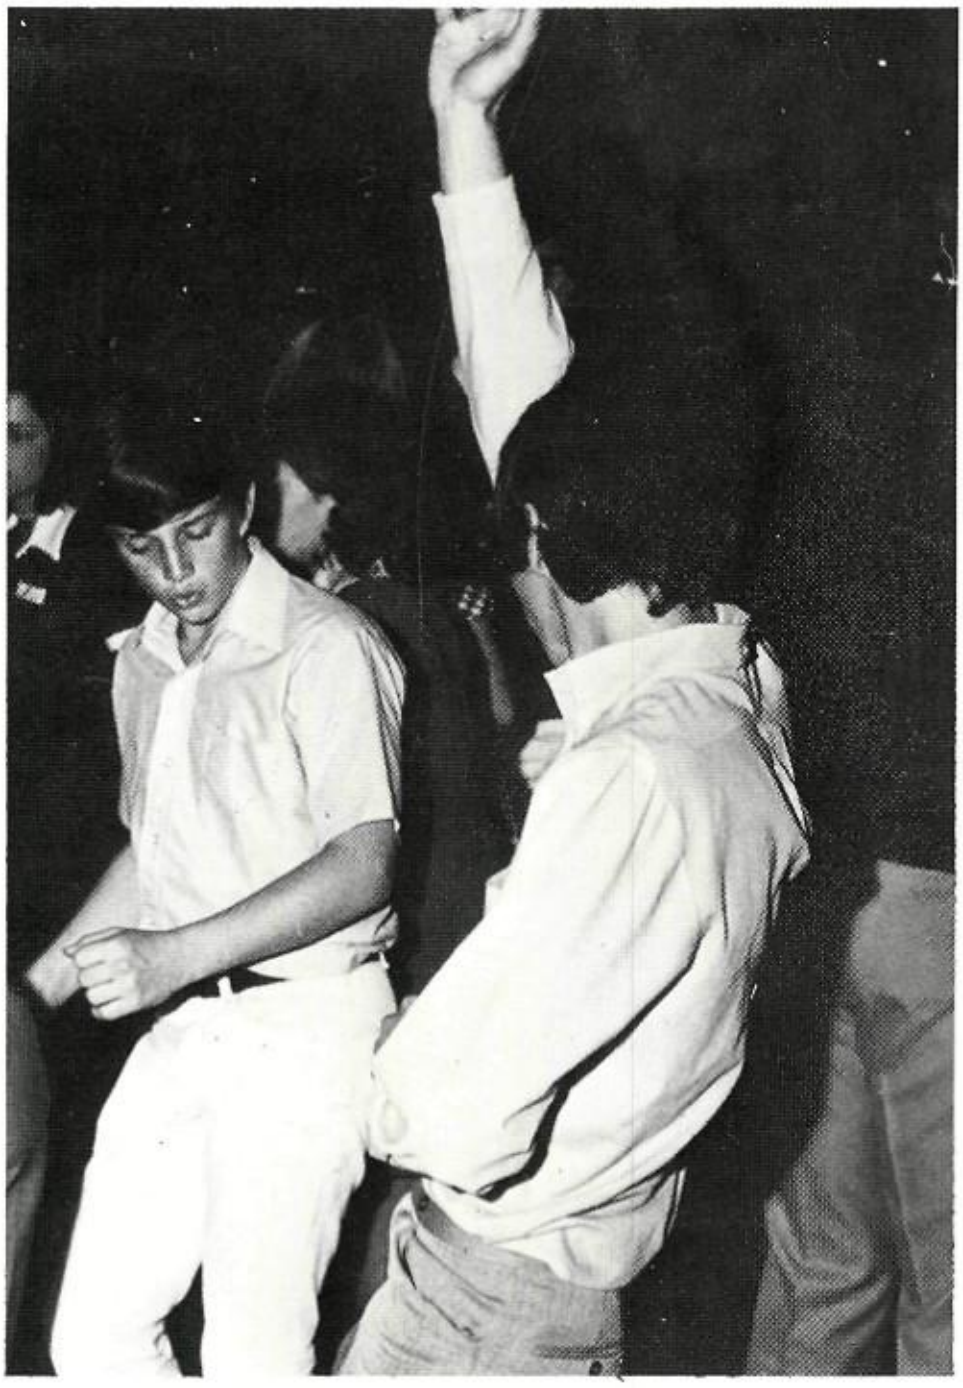
junior dance

This year's junior class, departing from past tradition of orgy-type class parties, created a Paris street scene in the cafeteria, complete with kiosks, sidewalk cafes, and shop display windows.

Some 200 persons braved chill temperatures and brisk winds on the night of November 14 to sample French pastries and dance to the music of Bull Run. The overall theme of the dance, "The Sun Also Rises," was carried out by the street scene, the setting of the novel. The major portion of the publicity for the party took the form of a morning assembly radio broadcast from Paris, France, covering the heist of a French street by little men in white shirts and grey pants.





homecoming

Homecomin' was really swell,
Hope St. John's goes to . . .
That there team beat us bad,
So that made Homecomin' pretty sad.

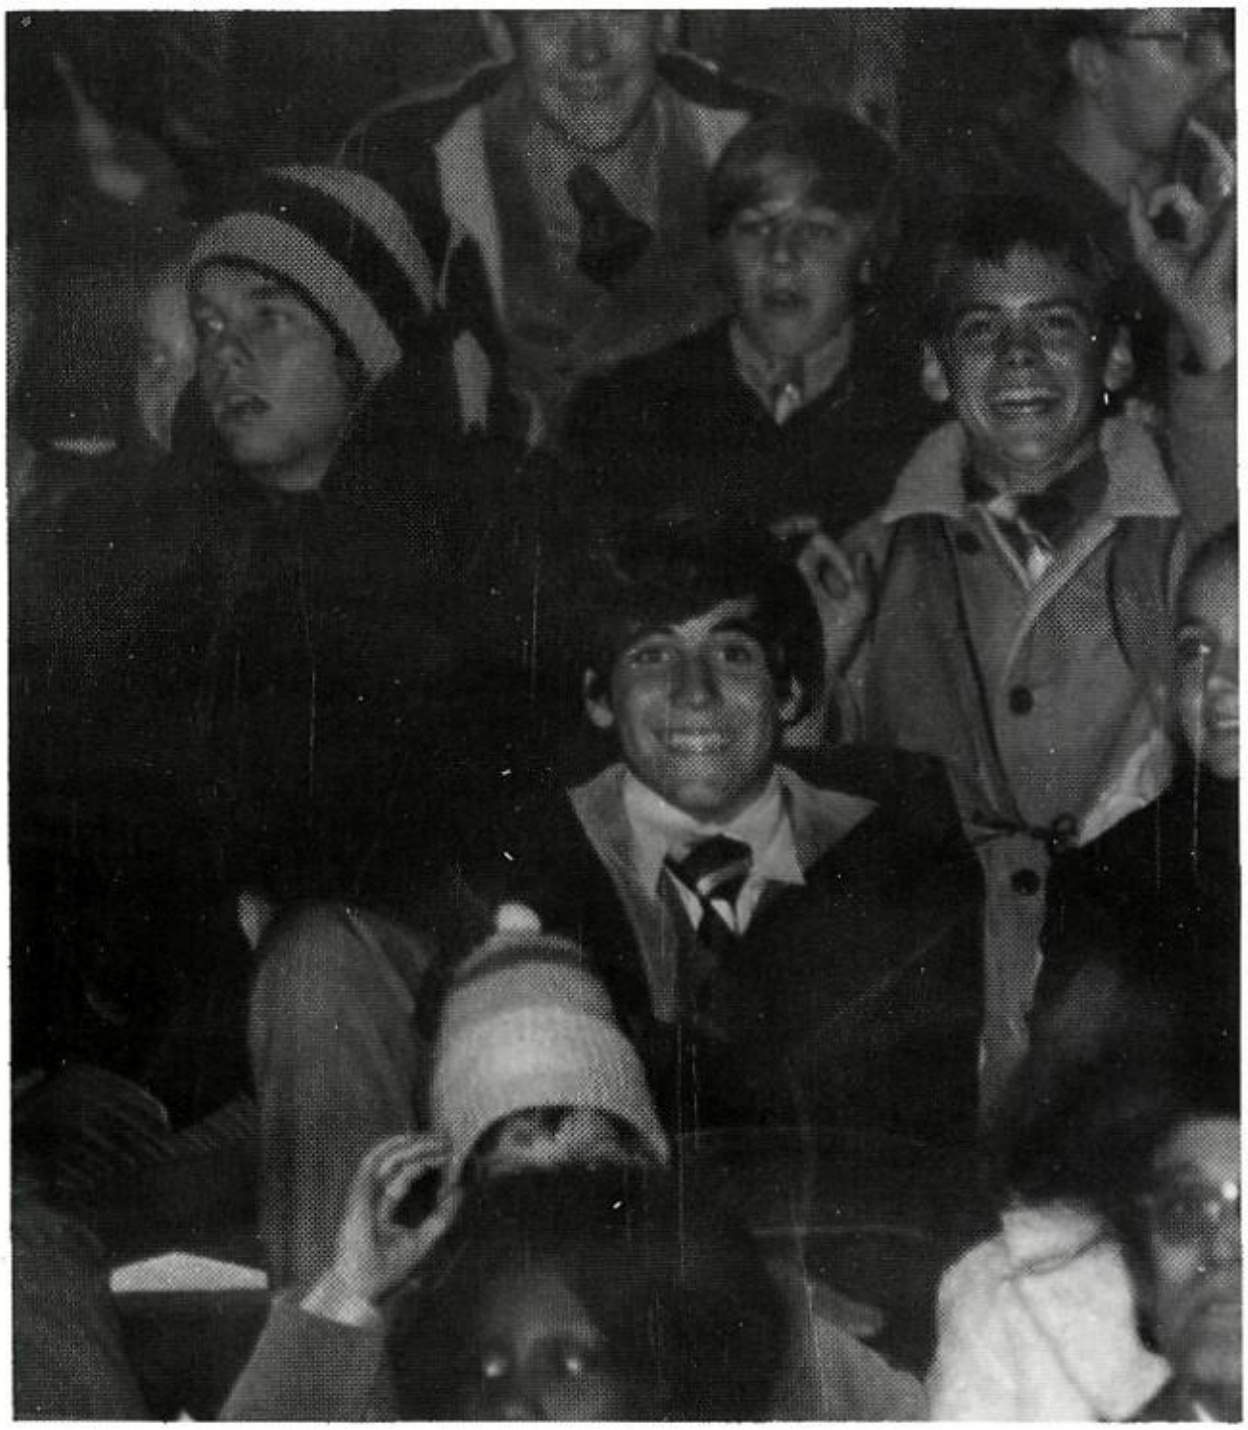
No one was in the mood for fun,
But the dance was good, we had "Bull Run."
We danced so hard and we danced so fast,
But all that now is in the past.

So remember folks, as the saying goes,
"It ain't if ya' win or lose,
It's how ya' play the game."
Ya' Knowse?

an original corny poem.

casady bus trip

This year's highlight of the football season was the bus trip to Casady. One hundred and fifty people loaded buses on November 6 and bounded up to Oklahoma City to see the Lions defeat Casady 24-8. Four Greyhound buses were filled, one with band members, another chuck-filled with exuberant 8th and 9th graders, and the last two with upperclassmen and their dates. Eighth grader Jay Lucas bagged the stereo tape player that was awarded to the lucky ticket holder. The hungry Lion fans, after a long bus ride to Oklahoma, were treated to a picnic dinner prepared by Casady. After the game and the Casady Homecoming Dance the four busloads returned to Dallas at 2:30 Saturday morning.



orchestra and band concert

The annual St. Mark's Band and Orchestra Concert was held in the Chapel December 11. A new addition to the concert was the appearance of the St. Mark's Choir and Glee Club with the orchestra. The program started with three Christmas pieces by the orchestra, conducted by Mr. Yves L'Helgoual'ch. The choir then came out and performed two carols, then finished with two songs accompanied by the orchestra. The Intermediate Band then displayed their talents under the leadership of Band Director Mario Foster, and the program ended with the St. Mark's band.

canpaign

Not only was the Can-Paign inspired by the seniors, it was almost entirely carried out by the same dedicated group. The lofty goal of 30,000 cans, set earlier in the year, demanded superb leadership and organization, for only by an extra effort could such a goal be reached. This leadership was immediately assumed by Tom Garnsey and quickly shared by several senior class members who began immediately to organize the collection of cans. With the help from Hockaday and Greenhill schools, over a period of three weeks of excursions into greater Dallas St. Mark's yielded about 10,000 cans per week in making the 1971 Can-Paign goal of 30,000 cans.

christmas party

With a deep sigh, the St. Mark's commu nity welcomed the Christmas season at th annual Christmas Party, Friday morning th 18th. The sigh was one of satisfaction b cause that same morning Can-Paign leade Tom Garnsey had announced that the goa of 30,000 cans had been surpassed by 3,00 cans.

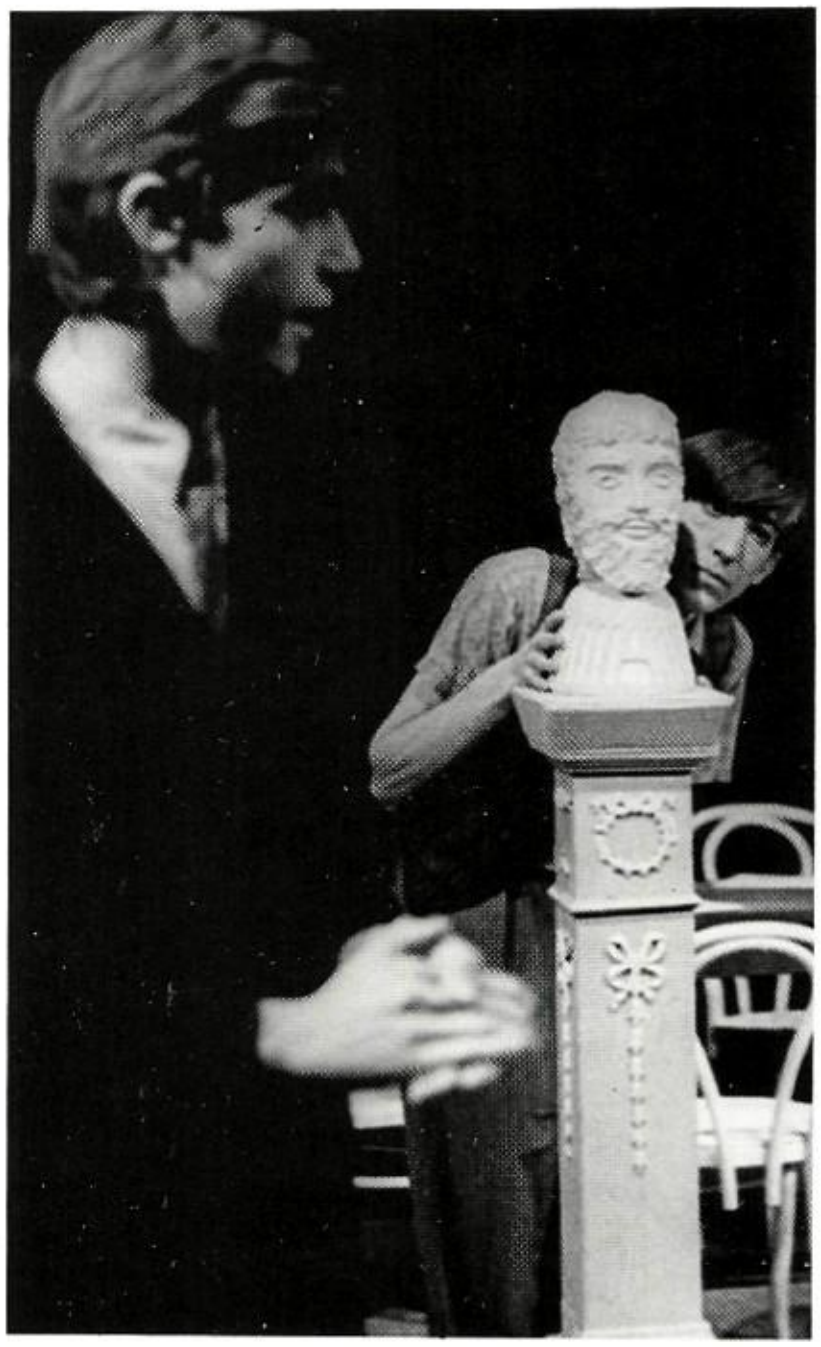
After starting the Yuletide celebratio with carols and ceremony, the seniors, ac cording to tradition, lifted the first grader to their duty of decorating the Christma tree while the rest of the Lower Schoo brought in the gifts intended for the mis sions. Then Rev. Raul Quintanillo thanke the student body and the school was dis missed for the vacation.

festival of one-acts

The weekend of February 5-7 saw some seventy high school students from all over Dallas perform the second annual Festival of One-Act Plays. The purpose of the festival was to provide the students with the opportunity to use their own ingenuity and creativity in producing a one-act of their choice.

The festival opened on Friday night with Jean Giradoux's fantasy, *Apollo de Bellac*, directed by a Hillcrest junior, Anita Jacobs. The next show, *At the Exit*, directed by sophomore Arlie Sterling, offered a somber and philosophical look at death. Next was Tennessee Williams' one-act *This Property is Condemned*, directed by senior Craig Anderson. Friday evening ended with Edward Albee's powerful play, *Zoo Story*, directed by Tracy Hilswick.

The 500 Hats of Bartholomew Cubbins, directed by Maria Turner, and *Talk To Me Like the Rain and I Will Lie Here and Listen*, directed by Scott Snyder, *Along the Tracks*, directed by Macon Hill and written by his brother Spencer Hill, *Media Music*, *The Ugly Duckling*, *Oh! What a Lovely War*, *27 Wagons Full of Cotton*, and *The Bear* were the other plays performed that weekend.



roosevelt exchange

After offering several proposals for an inter-school exchange of some sort, the Student Council finally arrived at a special program which was approved by Headmaster Whatley. This program allowed five S.M. students to visit Roosevelt High School for one week as regulars, with the exception of their sports requirement, which was met at St. Mark's at the end of the day. Two weeks later several Oak Cliff students visited St. Mark's for five days. The visitors were escorted by those who had attended Roosevelt two weeks before.

The five S.M. seniors who participated in this program were Steve Arnold, Ross Ashby, Crawford Bunkley, Anthony Knape, and State Lawrence. Although the program did not continue throughout the year as was hoped by its instigators, it did prove a valuable experience while it existed.

the film festival

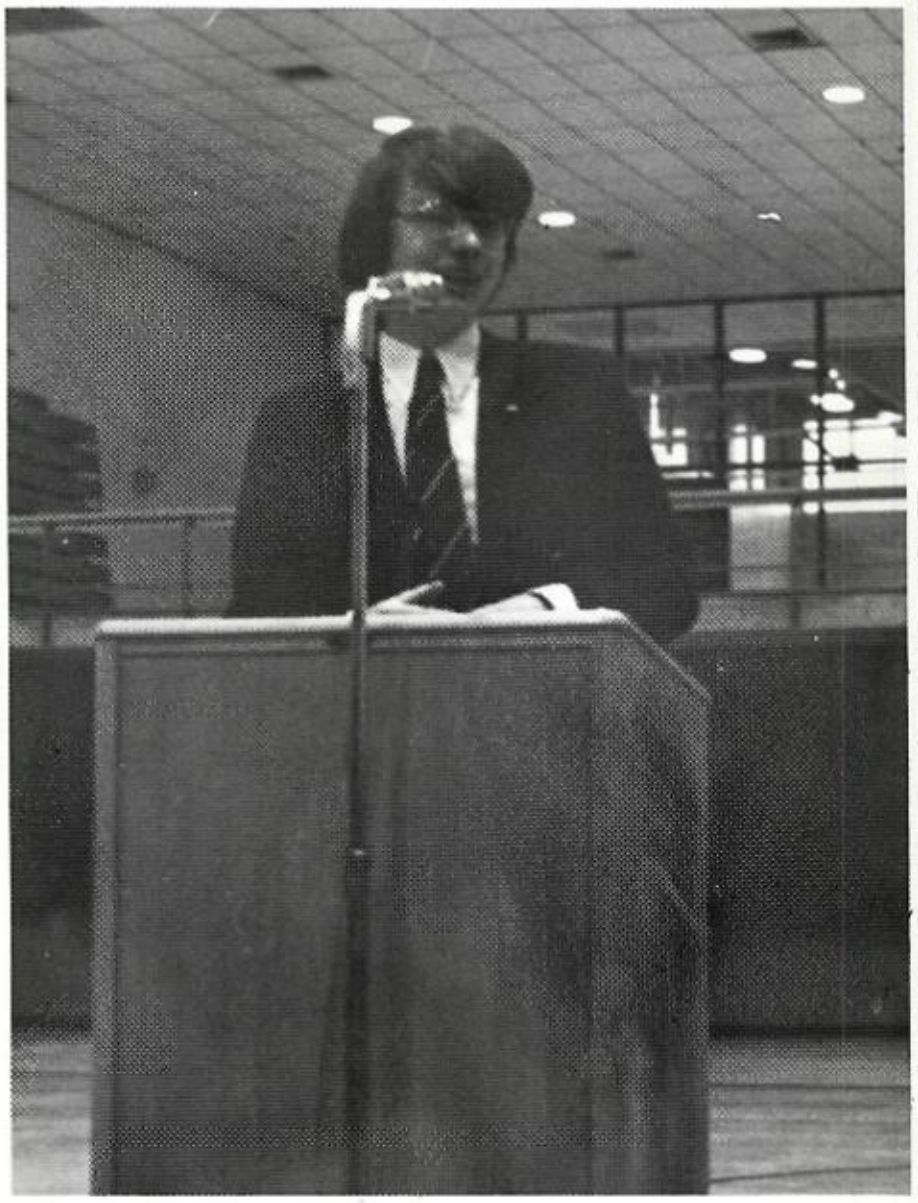
The St. Mark's Film Society, which originated two years ago, was created with one purpose in mind — that of bringing to the viewing public — on a continuing basis — a select and varied schedule of great motion picture presentations.

After extensive consideration the club planned a most successful year. The season consisted of 12 films and the festival of films.

The first annual St. Mark's Film Festival, sponsored by the Film Society, was presented on January 15, 16, and 17 with great success.

Nine films, including "Take the Money and Run," "The Bicycle Thief," and "The General," were presented. The overall theme for the festival was "Man and His Relationship to Society," as seen from different points of view.

The opening night of the festival saw the Library Lecture Hall filled far beyond its capacity, where viewers roared at Woody Allen in "Take the Money and Run." The festival resumed Saturday morning with "Alice in Wonderland." Then, Saturday afternoon, non-stop flicks began with "Tarzan the Ape Man" and concluded with "A Thousand Clowns" late that night. The festival ended Sunday night before a good crowd in the Science Lecture Hall. "The Cabinet of Dr. Caligari" and "They Shoot Horses Don't They?" brought the three-day endeavor to a close.



international day

Even though the weather was less than favorable, the first AFS International Day was an almost surprising success. The day's agenda seemed full of occasions for failure, yet the superb organization established by the AFS committee carried out the day smoothly and enjoyably.

An 8:30 assembly in the gym was the scene of the introduction of 18 foreign student speakers and the entertainment provided by the Moroccan girl, the French representative, and by Mr. Volk. After the assembly, all the students in grades 7 thru 12 were dismissed to attend the several foreign student presentations, which lasted until lunch time. A sack lunch was provided for all the students, and the foul weather forced the planned picnic inside the gym. Between lunch and the presentation of the German film, *The Bridge,* St. Mark's senior Phon van den Biesen gave a planetarium show for the foreign guests and S.M. students.

To wrap up the day students, teachers, and even some Dallas Tornado members were challenged by Mr. Herb Meyer and his American beauties to a six-a-side soccer match in the gym. In the international spirit of the day the yanks were soundly trounced.

Freshman Football

In the season opener the Lions crushed Dallas Christian 32-15 with a tremendous offensive.

Dallas Christian scored first but the Lions came back to grab a 27-7 lead before the Chargers could score again. The Lions tallied on a 14-yard jaunt by John Kypke and then on a spectacular 90-yard run by Crawford Bunkley.

In the second half Bob Amundsen threw a TD pass of 26 yards to Steve Rutenbar and Tom Garnsey ran four yards for the ensuing touchdown.

In the final minutes Amundsen threw a 64-yard TD bomb to Chuck Kaufman to end the scoring at 32-15.

The Waxahachie Indians spotted the Lions 13 points before capitalizing on 5 SM errors to beat the Lions 31-20 in Waxahachie.

St. Mark's grabbed an early lead on a one-yard run by Captain Tom Garnsey and on a 17-yard TD pass from Bob Amundsen to Chuck Kaufman. The Indians hit the warpath with an aerial barrage which netted 248 yards, on 17 of 33 passes.

Although the defense played an inspired game against the perennial 3A champs, the offense continually gave Waxahachie fine field position, which, including a safety, led to the 31 points.

jesuit wins . . . again

Once again the Lions faced neighboring rival Jesuit. There seemed to be more activity off the field than on as the Lions watched Jesuit cruise to a 39-0 victory.

The defense continually had its back to the wall as the offense threw the ball to the Rangers six times and fumbled to them five times. Jesuit capitalized on these turnovers, driving in four times on drives beginning within the Lion 30.

By halftime, the Rangers led 20-0 and the fans began to file onto the real field of battle to partake in halftime activities, as the Lion Band played on.

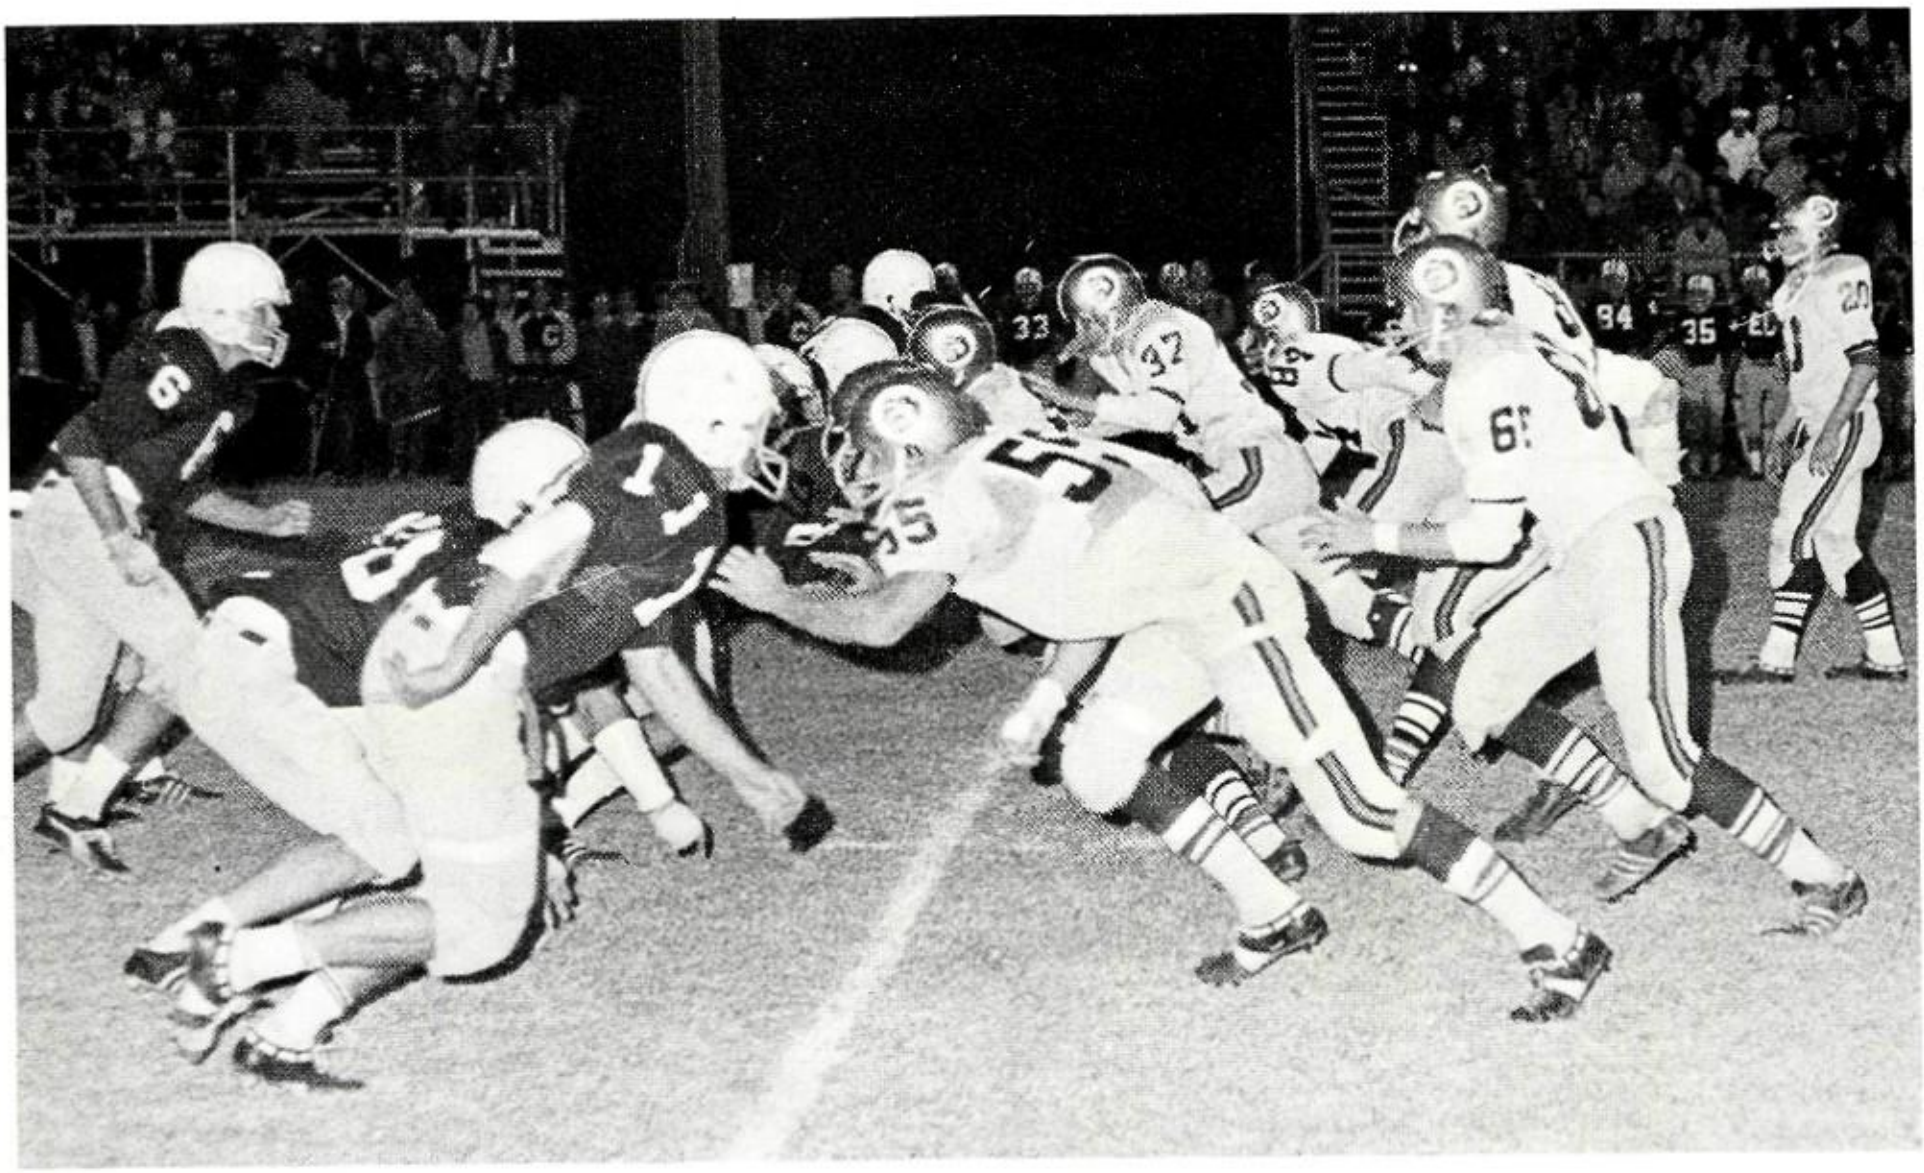
The Lions cut down on errors this week but still fell to the Bishop Lynch Friars.

The Friars pushed across the first score early in the opening quarter. Immediately following, the Lions took advantage of a Lynch fumble and turned it into six points on a one-yard dive by Crawford Bunkley. Gregg Heape tied the score at 7-7 with the point after.

The Lions' only other score came in the third quarter when the offensive broke Bunkley loose for a 64-yard TD romp, following a Hank Rose interception. Heape converted and briefly the Lions led, 14-13.

However, the Lion defense could not stop the Friar rushing attack, which pushed over 11 more points in the second half. Final score: 25-14.



grapevine . . . quis gets mad

On Friday, October 2nd, St. Mark's ventured to Grapevine where the mosquitoes ate the fans as the Lions ate the Mustangs, 27-6.

The Lions scored first as Tom Garnsey ran over for the first of his two touchdowns; Hank Rose kicked the extra point. The Lions tacked on seven more as Chuck Kaufman scored on a 50-yard sling from Bob Amundsen and Rose kicked it through again before Grapevine scored its six.

In winning the Lions pushed their record to 2-3.

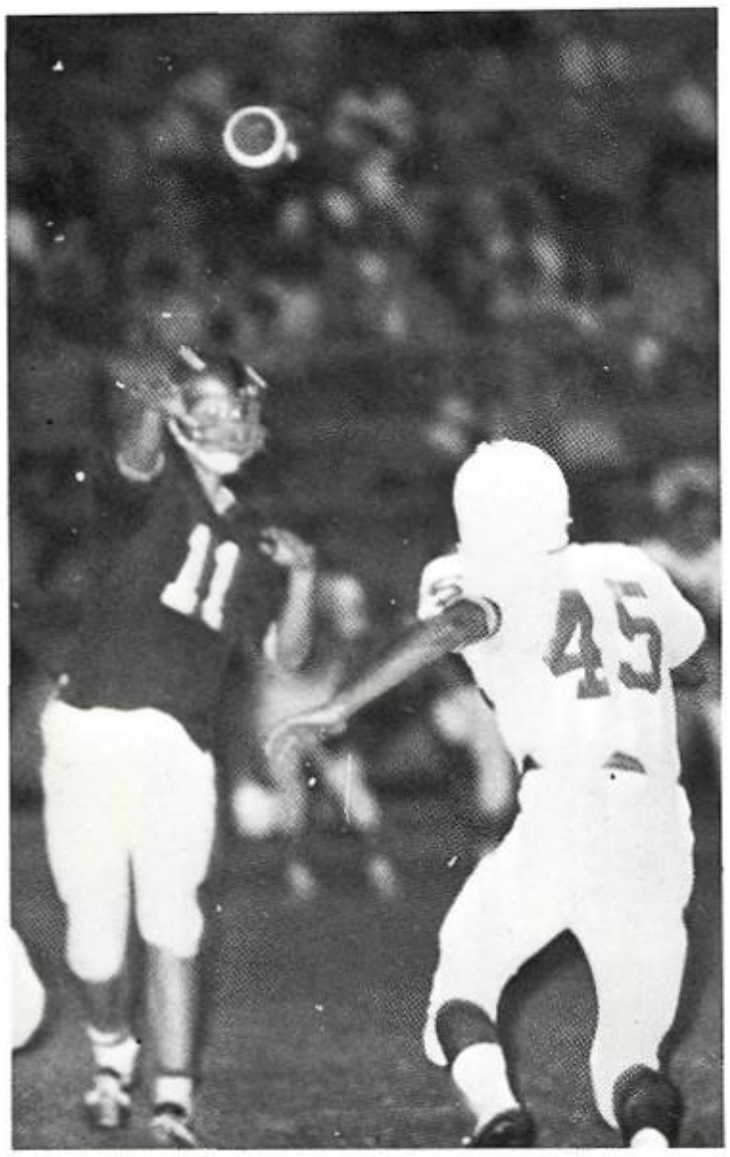
sm 35 — holland hall 14



Crawford Bunkley sparked a fired-up Lion offensive to a devastating 35-14 victory over visiting Holland Hall. The Lions racked up 444 yards offense as Bunkley scored on runs of 66, 49, and 16 yards.

The Lions tacked on two more TD's on runs by Tom Garnsey and Hank Rose to push the score to 35-0. But the Dutchmen collected as Quiz gambled on the second string kickoff unit.

Standouts on defense were Chris Dunlap, Rick Stanley, and Anthony Knape.

dunne . . . close, but no cigar

The Falcons of Dunne inched by the Lions 13-12 in the Lion's best game of the year.

The Lions scored on a three-yard plunge by Crawford Bunkley and again in the third quarter on another plunge, but each time the try for the extra point failed. Dunne scored its points on a two-yard plunge and a 50-yard bomb and made good its extra point, which was the difference in the game.

With the Lions deep in Falcon territory and 15 seconds remaining, Bob Amundsen faded back to pass but was dumped as the gun went off.

st. john's 20 — sm 15

With a 20-15 victory over the stunned Lions, the St. John's Rebels both blocked the Lion's hopes for a second straight SPC championship and spoiled a sweet homecoming.

With two minutes remaining the Rebels blew around the Lion's flanks to knock a State Lawrence punt into the end zone. They recovered it for the winning touchdown.

Earlier the Lions had taken a 15-14 lead on a safety by Steve Arnold, an Amundsen to Rutenbar pass, and a Bunkley run.

On October 30 the Lions flew to Houston to crush Kinkaid 24-0 before a disappointed homecoming crowd.

St. Mark's opened early as Brad Moore blocked a punt and on the next play Chuck Kaufman sprinted 43 yards for the TD. The defense held as the Lions racked up two more touchdowns as Bunkley ran in from eight and 19 yards.

Standouts on defense were seniors Anthony Knape and Steve Rutenbar. Rutenbar also caught a nine-yard TD pass to ice the game and set the scene for Casady.

The Lions evened their season record at 5-5, in the final game of the year with a 24-8 victory over Casady.

The Lions defense held Casady to 64 yards total offense, including ten yards on the ground as the Lions shot down the Cyclones. Casady's only score came on an intercepted screen pass that was run back for a touchdown. The Lions scored on runs of 40 and 19 yards by Crawford Bunkley, a 14-yard field goal by Gregg Heape, and an Amundsen to Kaufman TD pass to finish the scoring.

In this game Crawford Bunkley piled up 175 yards to push his season's total to 1,155 yards.

varsity soccer

The soccer team ended its most victorious season with a 15-2-1 record. For the first time in St. Mark's history the boosters captured the North Texas High School Soccer Association and the SPC title in one year.

Under the leadership of co-captains Brad Moore and Robert Bonner the booters started their 13-game winning streak but the Lions let down and lost to T.M.I. in the first game of SPC.

The North Texas crown was won in a playoff against Richardson, in which the Lions tallied five points while the defense crushed the Eagle offense.

The Lions went into SPC action at Fort Worth with a 4-0 record. The first game was the loss to T.M.I. but the Lions came back the following day and shut out Kinkaid 5-0. The last game, which went into an exciting overtime against St. Stephen's, ended in a tie, 1-1. The tie put the Lions one-half game ahead of Fort Worth Country Day and gave them the championship.

varsity basketball

This year's varsity Lions ended the season with a 16-19 record and finished in a disappointing tie for second in S.P.C.

The Lions started slowly as they ran into area 4A powers and were beaten easily. Entering the second half of the season, the Lions showed promise as they fell by only three points to J. J. Pearce after losing earlier in the season by a score of 87-67. They rebounded off the loss to take home a consolation trophy in the Bishop Dunne Tournament. The Lions placed junior Bob Amundsen on the all-tournament team.

Then the Lions fell into trouble, losing the next eight of nine. The only win came against W. T. White, 66-64, on a last second shot by senior captain Bill Ross.

In the second conference game of the year, F.W.C.D. being the first in which the Lions waltzed over 61-17, the Lions beat Casady 60-53 as Captains Bill Ross and Steve Rutenbar scored 18 and 12 respectively.

In the next two conference games the Lions beat Wichita Collegiate 64-49. At Fort Worth the Lions beat St. Stephen's 70-57, but lost to Holland Hall 61-49. But next the Lions lost all hopes for a repeat as they lost to SPC Champions Kinkaid 67-61 in overtime. To end the season the Lions thumped St. Johns 68-57. Rutenbar got All-Conference and Ross received Honorable Mention.

The Lions were coached by Mr. Tom Adams and Mr. Terry Gibson and managed by two-year letterman Bruce "Cerf" Jolesch.

swimming

1970-71 was a season of varied experiences. The varsity compiled a record of 11 wins and four losses, while the Junior Varsity went 3-1 for the season.

With the strong senior leadership especially from co-captains Bill Beams and Doug Peck, the team faced four disappointing losses without faltering.

Although these four losses would seem to break a team's spirit the inner feeling of closeness between team members remained strong. One philosophy followed by Coach Williams and all the swimmers was that realizing that a won-loss was designed only for those who were not able to follow the team's real progress and that having to face a defeat helps to expand their level of maturity even if the emotional effect of that defeat lasts only for a few minutes.

This year's team has three school records to its credit with Bill Beams setting records in the 100-yard freestyle and the 100-yard breaststroke. Beams, Wilson, Papert, and Bashour set the new record in the 400-yard relay with 3:36.8.

St. Mark's swimming has reached a level of consistency over the past two seasons. With the leadership of co-captains Alan Bashour and Steve Counts, next year will be a continuation of this personal interdevelopment that can be obtained from a positive team sport.

searchers

Under the direction of faculty advisor Mr. Richard Farrell, this year's Searchers staged several outings, most of which consisted of solos and group outings at the National Grasslands in Decatur. They used survival skills that they developed each day after school precisely for the purpose of surviving these 3-day, no-food weekends.

The advanced Searcher II's consisted of G. C. Ellis, Bill Hiatt, Rob Taylor, Jay Rudin, Bill Bret, Lee De Golyer, Bill Underhill, Gary Potts, Mike Walsh, Mark Jamieson, Doug Smith, Robert Titley, and Bob Bass.

The 1970-71 Fencing Team

The 1970-71 fencing team has improved greatly over the last few years. Backed by Mr. Daniel Nevot, this year's team placed high in area meets and tournaments. This last summer Henry McGee, David Ladyman, Travis Hanes, and Arlie Sterling all qualified for the American Fencing League Association national tournament in New York. McGee was the only one of the four who was able to make the trip to fence in this highly competitive meet. Through his efforts he is now ranked 8th in the nation for men 19 years old and under. The Marksmen have a bright future ahead of them with many young fencers coming up to the varsity level, and with the older experienced boys to give advice and confidence, next year's team should improve to even a greater degree.

This year, the St. Mark's cross country team, coached by Mr. Andrew Mailer and led by Senior Captain Doug Fletcher, took some completely inexperienced freshmen and sophomores and worked them into a team that placed well in area meets.

For example, in the Fort Worth Nolan Invitational meet on October 17, 1970 sophomore Hoke Smith placed 15th in a field of 48 while Fletcher placed 25th and sophomore John Hammack came in 33rd.

SPC was won again by Casady but St. Mark's earned second by finishing Hammock, sophomore Henry Carr, Fletcher, and Smith 7th, 8th, 9th and 10th respectively canning them All-Conference selections.

With only Fletcher graduating from this year's team, next year's Cross Country team can look forward to bigger things.

A new mat, new uniforms, new opponents, and new team members best describes the wrestling team this year. After suffering from abrasions on last year's mats, and from embarrassment with P.E. clothes substituting as uniforms, this year was a tremendous improvement over last year. This year's team boasted 15 new members and 6 returning lettermen — Lester McGary, Steve Arnett, Henry Hite, Charles Halley, Ray Williams, and John Aronson. Among the new members were Tim Brennan and Harris Block, who won their respective weight categories at the MacArthur Tournament and achieved victories throughout the year.

Coaches Campbell and Oltrogge introduced new members to the basic moves of wrestling. They continued working with the lettermen by teaching them more complex combinations. It seems that wrestling has achieved a strong hold on St. Marks now. The Lions' improved performances this year against such wrestling powers as Casady and the Texas Blind School were clearly the result of effort, improved training, and team pride.

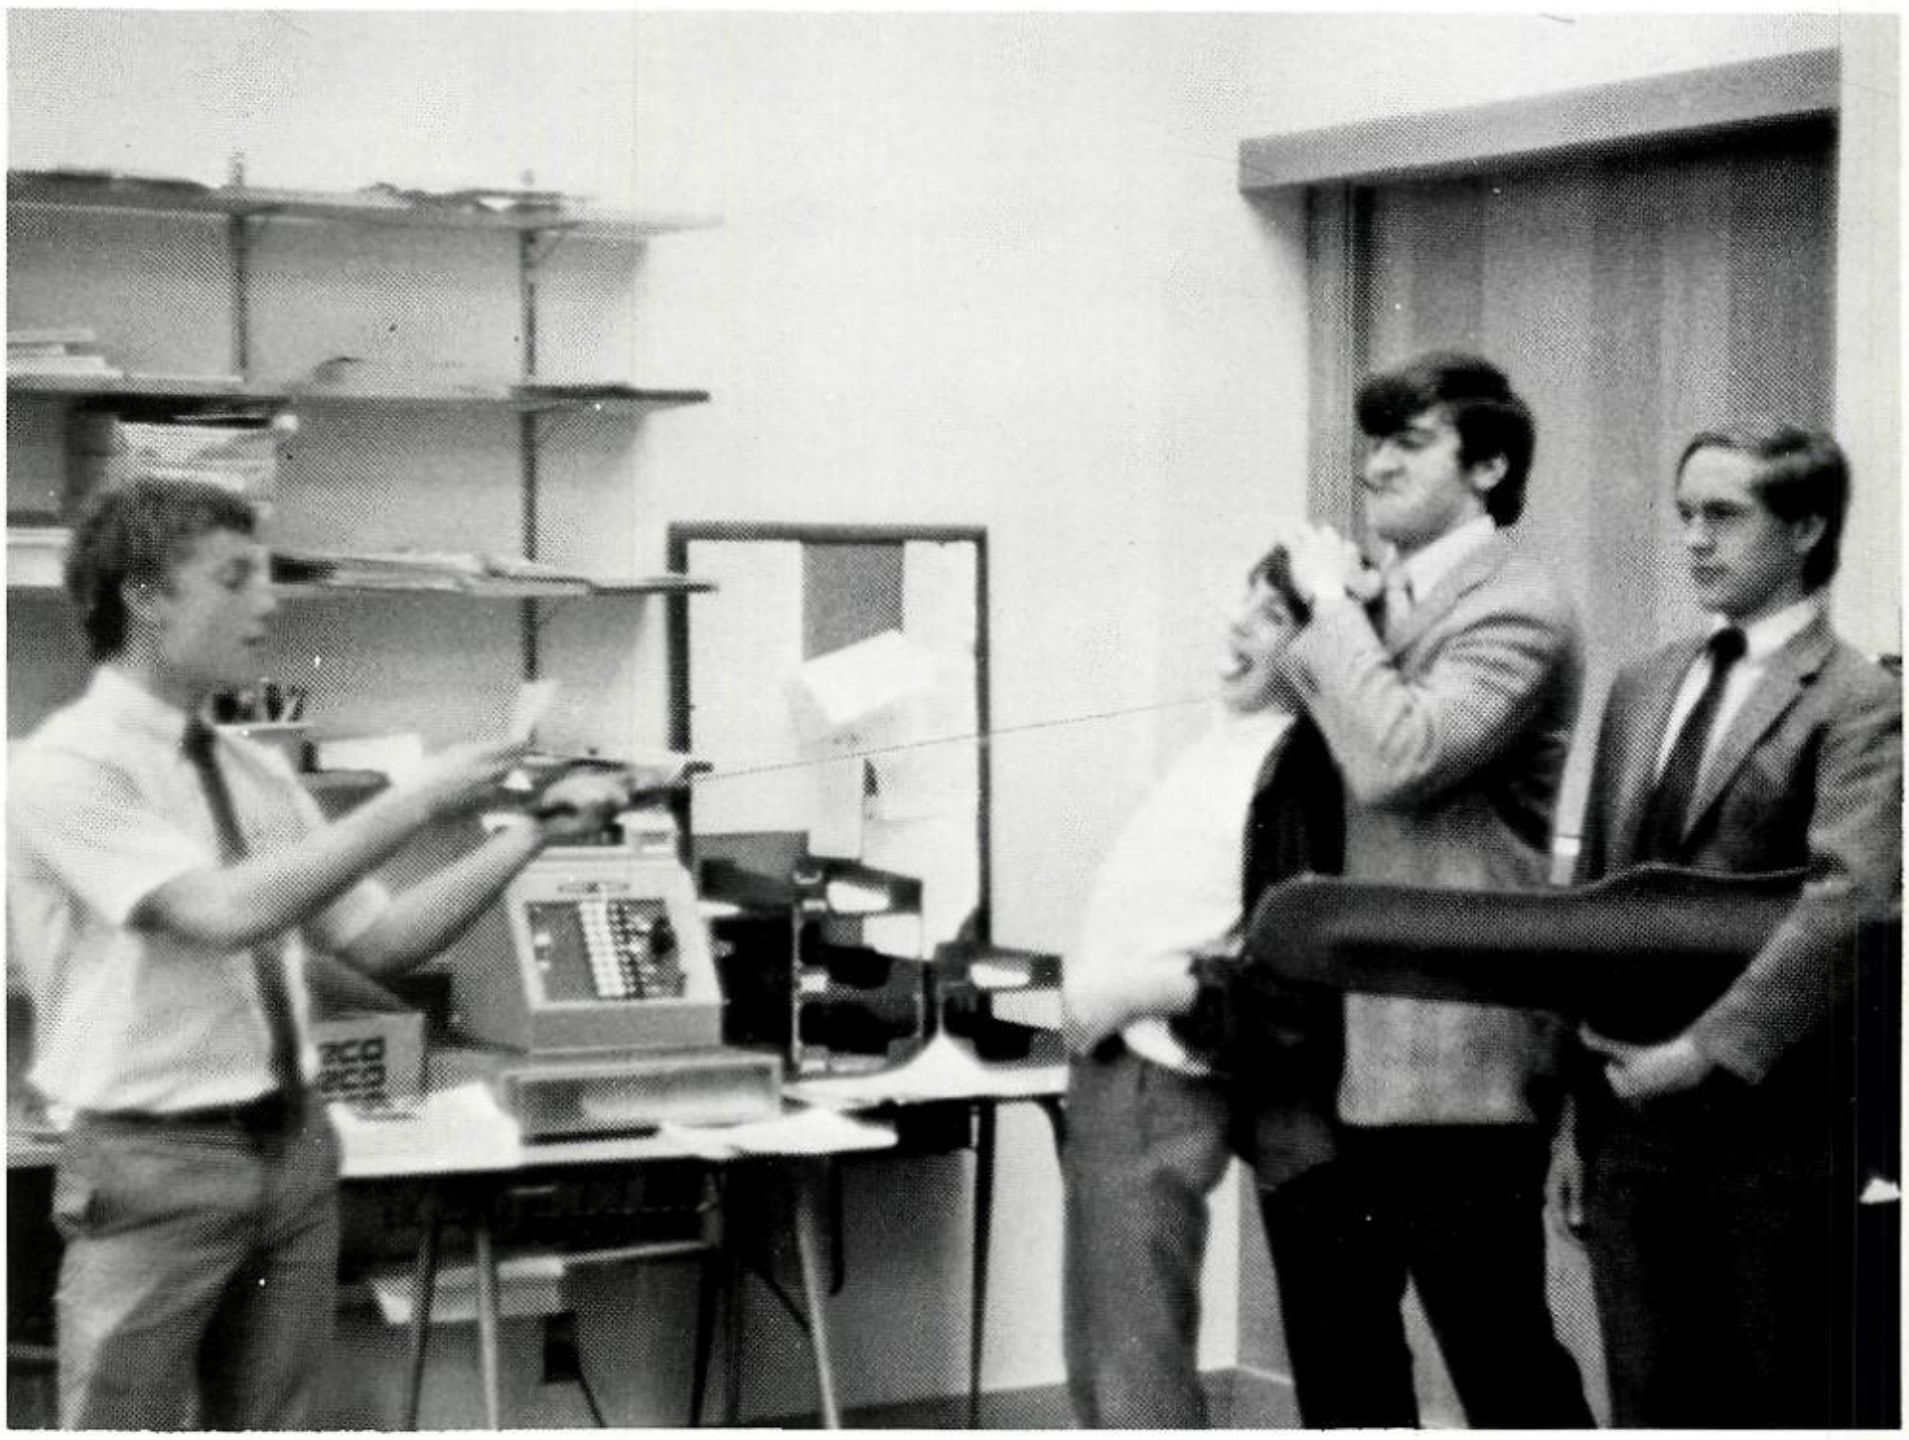
In its never-ending vigil over truth, justice, and the American way of life, the Marksmen presents the following pictorial exposé* of that most corrupt of campus organizations, the student bookstore. The story about to be presented is true, only the pictures have been blurred to protect the innocent.



Douglas Dickson Fletcher (*left*) alias "Big Doug," under Marksmen surveillance since his selection as bookstore manager, threatens an innocent middle-schooler with bodily harm. "Big Doug" has made a handsome haul this year by padding bookstore bills and charging exorbitant prices for required reading books. Richard McCoy Roberson (*right*) who goes by the sinister underworld tag of "Robey," hit man for the Organization, has hustled many an unawares student into the dark confines of the bookstore. Christopher Burrow (*far right*) "Bookworm Brow," reputedly a ruthless killer and accomplished violinist, calmly observes the proceedings.

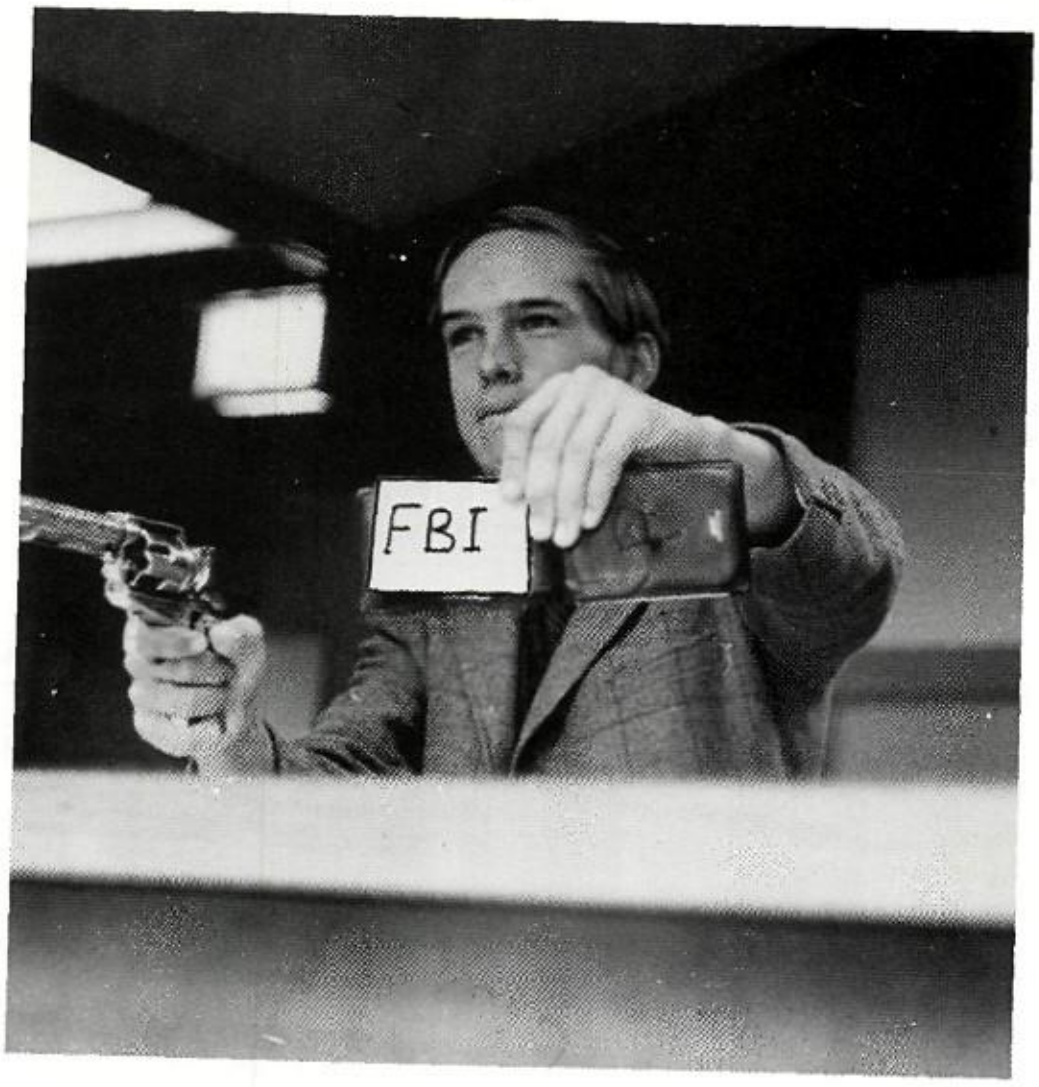
*This exposé was prepared by Joel Goldblatt, who was assigned to conceal himself and camera in the bookstore, when then Editor-in-Chief Robert Munger became suspicious of the bookstore's financial dealings with the infamous ReMarco Corp. (cf. 186).

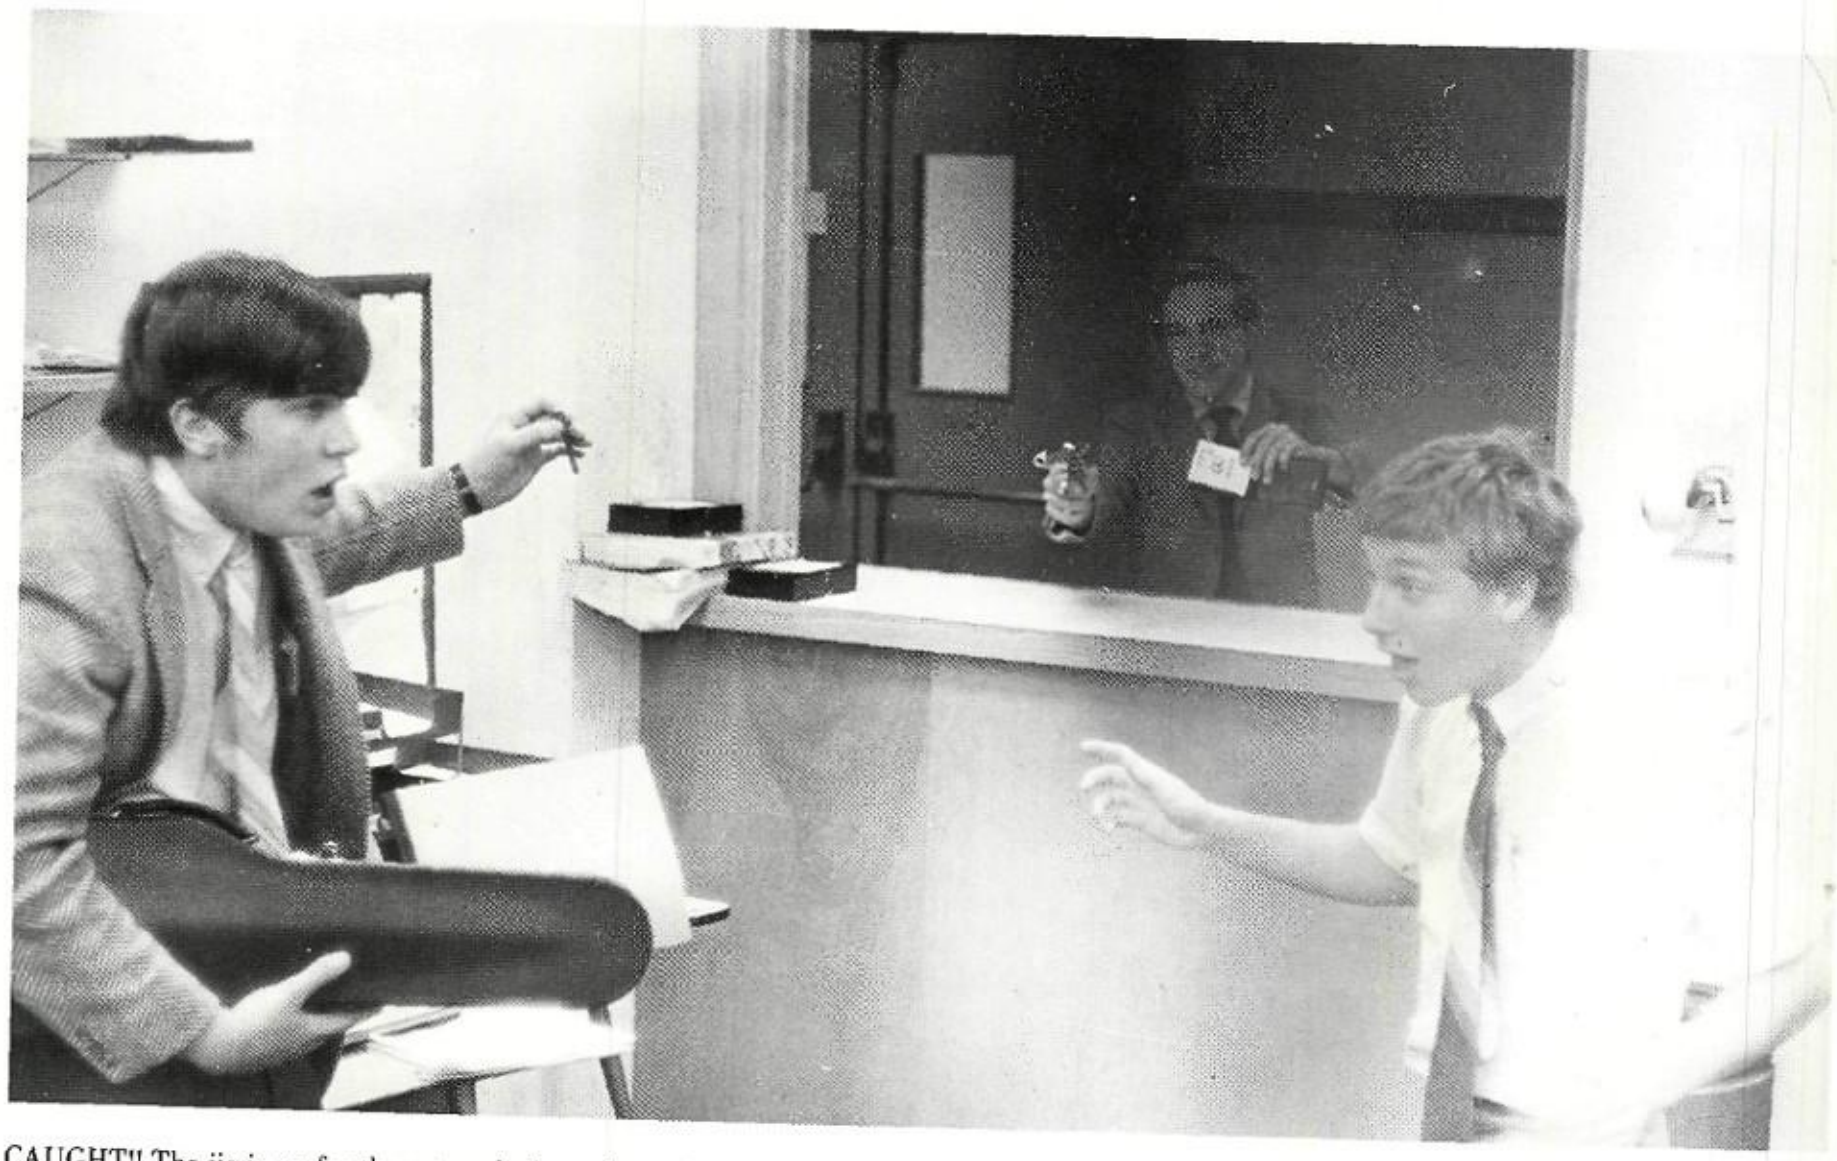
exclusive marksmen exposé of sm student bookstore

The vicious "Robey" and unscrupulous "Big Doug" are pictured here smuggling contraband Flair pens and corrasable typing paper into the bookstore.

caught!

good triumphs over evil





CAUGHT!! The jig is up for these two shady underworld characters. "Bookworm Brow" is none other than one of J. Edgar Hoover's top undercover agents. (Who would ever suspect a 5'1" agent?)

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE MAY BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ❧ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ❧ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ❧ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ❧ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ❧ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ❧ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ❧ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ❧ ❧
